THIS • MONTH • IN • CLUB

You may well have noticed recently that Club has become the Tony Husband fan mag. Every bloody cartoon in the book is by Tony Husband. There are two reasons for this.

Firstly, he does lots of really funny cartoons with hippopotami in them, and I have a soft spot for hippopotami. Secondly, we haven't had any cartoons in from anyone else for months.

The Deputy Ed. was sober the other morning, so he phoned up nearly every cartoonist in Britain and asked why they hadn't sent

us any cartoons. Most of them were out or drunk, but a couple were in and said "It's because your Editor won't pay us more than two quid and a free chocolate Hobnob per frame, so fuck off!" Ungrateful bastards. We sometimes threw in a Wagon Wheel too.

Talking of biscuits, the Deputy Art Director has recently discovered that he can sneak two packets of Hobnobs per day on petty cash, by putting them down as 'computer sundries'. I'd advise everyone to do this if they can: it will be a great

boost to the British biscuit industry, and might also mean there's less money left in the computer budget which would all go to some Japanese company otherwise.

Not much else to report this month. The Club Feet five-a-side team completed their triumphant tour of Green Park with a crushing 6-1 victory. Ginny came back from her ski-ing trip saying how healthy she felt after all that exercise, though she hadn't done any ski-ing. Nathaniel Fatbastard had his new pork pie hat pinched down at the Admiral Numb Bum, but said he wasn't too bothered because he'd been sick in it earlier. And Clare came back after her latest photoshoot complaining that it was so cold her nipples had gone all stiff, and then did aerobics in my office to get her circulation going again.

And talking of circulation, I'd better stop this rubbish before ours falls to nought. Turn over the page and read something more interesting, for God's sake. See you somewhere round the dirty letters... - *The Ed.* ♣

the girl you've asked to see

We always know when you guys like a girl in Club and 20-year-old Danish damsel Suki certainly pricked up the lead in your pencils. She was the lady who bared all in Vol 20 No 2, and who elicited no less than a dozen sacks of fan mail!

"More, more, more and even more!" screamed Peter of Dunstable. "Where do I get a one way to Copenhagen?" asked Grant of Liverpool.

And sex-sational Suki's response to all this praise... "I'm thrilled to bits," she laughed. "And, if any of you

guys want to see the *real* Little Mermaid — you know exactly where to find me, and that's no fairytale!" ♣

If you've been at it like a rabbit, then send your rampant ramblings to: *In The Bag*, Club International, 2 Archer Street, London W1V 7HE.

Beautiful, Really Beautiful!

I've just bought February's issue of Club... and it's a cracker! I'm not one of those fellas who's going to write in and tell you that this is the first copy of Club that I've ever bought — that would be a lie! I've been reading Club for about three years, I'm 25 now, and it just seems to get better all the time.

Of course, the high points are the beautiful women, Ginny never fails to get my cock standing to attention in seconds. But Ginny was merely the icing on a very sexy cake as far as I'm concerned. The list of gorgeous girls in February's Club really made it an issue to remember! I just hope that you keep up the high standard you've set yourself all the way through 1991. You'd make me very happy indeed! — *Paul, Oxford*

Tit's The Tops

I couldn't believe my eyes when I saw January's issue of Club. The first girl in the

magazine, Lori, was the spitting image of a girl called Julie who I was shacked up with when I first moved down to London.

The resemblance is uncanny. Lori's got the same long, dark hair, the same sexy eyes and the same munchable tits. However, the similarity ends there! I was the first man that Julie had ever slept with, and once she'd got a taste for shagging there was no stopping her — she was insatiable! I would shag Julie for hours on end, in every possible position, and she would still want more!

Julie especially liked riding me on top — and I certainly didn't complain because she had the most fantastic tits that I've ever seen. Just when I was sure she was near to coming I'd reach up and gently tweak and pull her delicate nipples. Eventually she clicked on that I really liked her tits and she'd let me suck, lick and gently bite them for hours on end — so long as I gave her a good shafting once I had finished

playing with them! As a special treat Julie and I would shag like crazy and then, just as I was about to shoot my load, she'd pull my dick out of her cunt and let me spray my thick, creamy-white spunk all over her beautiful breasts.

Seeing Lori made me fantasize about being brought off over her sensational tits. I'm sure that she'd enjoy that just as much as working up a sweat between the sheets! — *Alan, North London*

Women In Love

I must confess that I've never written in to a magazine like yours before but there's a first time for everything! The only snag with Club is that it only comes out once a month but when it does I never fail to frig myself into a frenzy at the sight of all the beautiful

models that you feature.

My girlfriend Carla and I love looking through the magazine. Aside from all the gorgeous women you feature, our most enjoyable part is the *Talking Blue* section — the stories are an incredible turn-on for us both and I just wish that Carla and I could get up to a fraction of the things that some of the women in the readers' stories do!

Carla and I have been seeing, and shagging, each other for about two years now. Carla is 28, with long, dark hair and a very desirable 34-26-28 figure. I'm the same age as Carla, with short, blonde hair, and a more rounded 40-32-34 figure. The thing we have in common

though, apart from a love of Club, is that we're both incredibly randy — we just can't seem to keep our hands off each other!

The first time we met each other was at a friend's birthday party. I almost fainted at the sight of Carla when she first walked in. She was dressed to thrill in one of those really tiny, tight cocktail dresses that leave very little to the imagination! I could see her nipples sticking out through her dress, and I swear I could see the outline of her pussy pushing against the fabric! The only problem was the fact that she turned up at the party with a fella!

It didn't take me long to

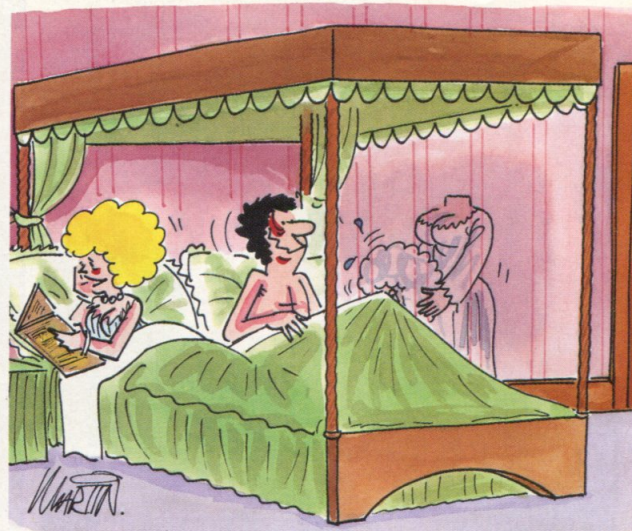

Dear Jo,

After seeing your spread in Club Vol 20 No 2 I just had to write in and tell you the effect that you had on my pecker! Within

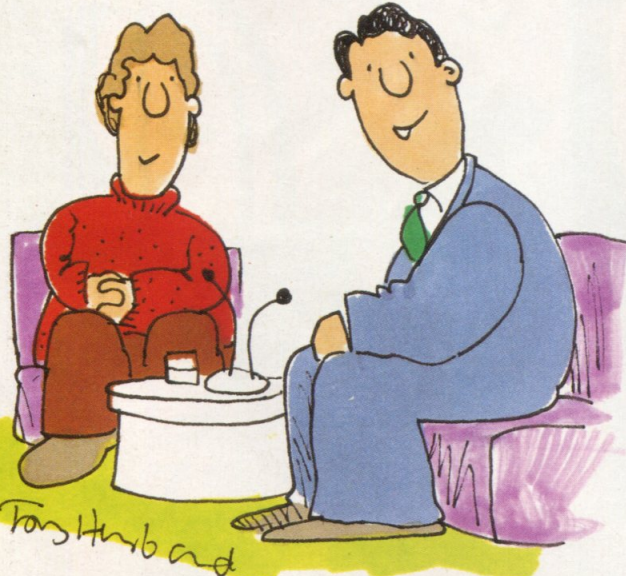

seconds it was as hard as a stick of Blackpool rock — and just as sweet!

I don't exactly know what it is about you that turned me on so much. It could be your

long blonde hair or your gorgeous face. Your tits warrant a mention too, really nice and pert, with small really suckable nipples. Mmm, I can feel my mouth

work my charm — I simply strolled up to her, looked into her deep blue eyes and told her that I wanted her in my bed that night! I think it was 'cos I was so brazen that Carla took up the offer and we ended up upstairs in one of the bedrooms.

It was Carla's first lesbian experience, but it felt like she'd been doing it for years! She was a real expert at pussy-licking, and as time has gone by, she's taught me things even I didn't know about screwing other women!

Well let me tell you that since seeing my pictures on the pages of Club I've begun to see what all you guys see in my creamy cunt. Maybe you could come and take a closer look sometime, Alex! — Jo ♣

Clare

Photographs by Franco Marocco

"I've been really busy since I was last in Club!" 22-year-old Clare told us. "I've joined a fitness centre to make sure that I'm in shape for all you guys!"

The lovely Londoner has been pampering her pectorals three times a week since she last bared all for us. "I really love all that pushing and thrusting!" she giggled. "It gets me

really hot and steamy! But the best bit is the jacuzzi afterwards. I usually slip off my bikini briefs underwater so that the bubbles give me a sexy tingling feeling. The water gets too foamy to see through, so no-one knows my naughty secret!

"Except all of you, of course!" ♣

'A llo 'alloy, from flat-chested France! Your kajooble gatherer has been searching in vain to find a pair of whammers in a country where the girls may be golden and delicious but they've got no tits.

It seems to me that Frenchwomen have always been *petite*. Take mournful Edith Pinpaps for one, and only a woman with no tits could have designed a Chanel suit.

As I searched high and low, I remembered the words of hope from the wise French philosopher Rene Descartes who said: "I think I saw a pair of massive bazongas therefore I am now going to follow them." However, this may have lost something in the translation into English.

It'll come as no surprise to ardent bazonga buffs to learn that this month's top tits winner was on holiday from Hull. ♣

GOBBLE!

Nathaniel Fatbastard's a very sick man indeed. It's time to shape up or ship out. But what exercise suits a man such as our lovable hero? Not jogging or cycling, but golf of course!

I've never been a great one for playing with balls. At school whilst the other boys were polishing up their tackle on the football field, I was rubbing up against something much more enjoyable. When the cricket team were tickling the inside leg with a full toss, my idea of double games was fondling the prematurely prominent tits of Enormous Nora for the price of a McShitties Wagon Wheel (Two shillings and sixpence ha' penny). In short, I scored more than the first and second XI put together.

My hatred of games stemmed from the attitude of Bully Bulstrode the P.E. teacher, who, in our innocent childlike manner, we nicknamed 'That Cunt'. He had the same kindly attitude to the athletically inept that farmers have to the runt of

the litter. Once he found the skeleton in spectacles or doughnut-scoffing fat boy, he'd hone in like a weed-seeking missile to completely destroy what little credibility they'd acquired by their large collection of train numbers or gaily coloured foreign stamps. Not that I was one of those boys, though I must admit to always being one of the last to be picked for football. In fact for some years I thought my full name was "I suppose I'll have to have Nathaniel Fatbastard."

But this week, all that changed with a trip to the doctor. My insurance company, The Ephemeral Life, had insisted that I have a complete physical. This is a worrying prospect as Dr Bailey is an ex-Harley Street proctologist, known throughout the medical

profession as Bailey of the Rump Hole. He's the only man I know that people run away from when he shakes your hand warmly. And he examined every inch of me... and looked glum.

"I have bad news for you, Mr Fatbastard. Very bad," he said.

"Oh God!" I replied. "Tell me, how long have I got?"

"About seven and a half inches, but that's the only bit of you that's functioning properly," he replied. "Your heart is fatter than a cheap butcher's chop and your blood/cholesterol level is so bad, the blood doesn't deserve top billing. The scan shows your kidneys look like pickled walnuts, and your lungs are so spongy they'd be better at mopping floors than holding air. You over-eat, smoke to excess and drink too much. From now on your life has to change. You need some exercise."

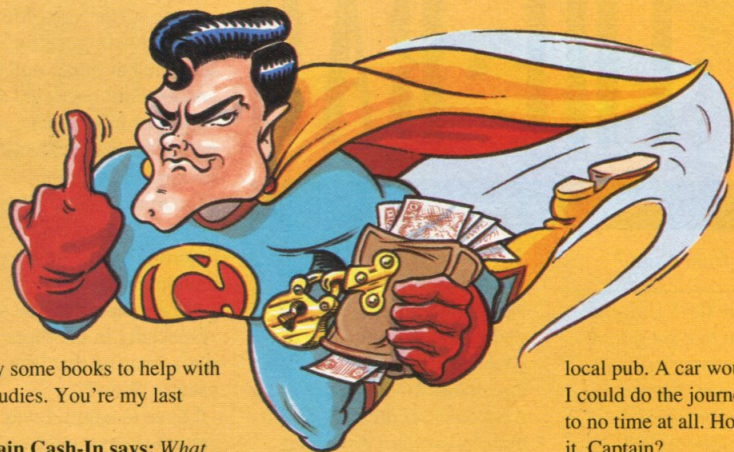

But what? How about swimming? Unfortunately my local pool is so small, it has taps at one end and a grill across it to hold the soap. Anyone over six foot can't swim lengths, they have to do diagonals. Squash is only for wankers who spend a fortune on designer deodorant in the office, and then another fortune working up a sweat

and reeking in front of their colleagues on the court. And as for the local poncey gym, I refuse to mix with guys who've turned

CAPTAIN CASH-IN

Saviour of the skint and patron of the poor, **Captain Cash-In** hears some needy cases and deals with them as only he can...

From Chalkie of Whitechapel,

Dear Captain Cash-In,

My mate Del down at the Dog and Bone tells me the 3.30 at Kempton on Saturday is a dead cert. Can you help me with £50 for a bet?

Captain Cash-In says: Sure thing mate! Here's £100, shove £50 on the nag for me while you're at it.

From Millie of Croydon,

Dear Captain Cash-In,

My husband was run over by a runaway mobile video library. He's been off work

for three months and is in great pain. I'd really like to cheer him up with a small present. Just £1.80 would buy two ounces of his favourite tobacco. Can you help?

Captain Cash-In says: Well I'd like to, but I'm too tight! Tell your hubby that smoking can kill, mind you, so can walking out in front of mobile video libraries.

From Terence of Brighton,

Dear Captain Cash-In,

I'm a student and my grant only amounts to 35p a week. I desperately need some money

to buy some books to help with my studies. You're my last hope!

Captain Cash-In says: What do you think I am, a charity or something? All you students are the bloody same, drinking, parties and wild sex orgies. Forget it!

From Madge of Liverpool,

Dear Captain Cash-In,

I live alone in a very large house. It's so expensive to

heat. Can you spare £10 for a second hand oil heater?

Captain Cash-In says: Naaah! Why not try jogging on the spot, eh?

From Mark of Dunstable,

Dear Captain Cash-In,

I get a bit out of breath walking from my house down to the

local pub. A car would mean I could do the journey in next to no time at all. How about it, Captain?

Captain Cash-In says:

Don't I recognize your writing? Last month you claimed to be Ian from Harrow wanting a video recorder. No problem! Anything to help an old mate. £9,000 should buy you a new Escort. Happy driving Mark, or should that be Ian? ♣

their whole body into muscle starting from the neck up. No, I needed something that suited my personality and celebrity status.

Golf, that was the answer. Sitting in the club house sipping pink gin after a swift 18 holes at St. Andrews, that would do for me.

So, after bribing a few media friends, I managed to become a member of Loyal Rhythm St Annes golf club (£2,500 a year) and got a few lessons from the pro (the only pro that's ever taught

me anything I can tell you!): He taught me how to swing (a long deep stroke, swift withdrawal and keeping your eye on the ball — the Rhythm method) just in time for the Poorly Tiles Pro-Celebrity Matchplay Sudden Death Tournament.

For those of you who aren't familiar with golfing terminology, Pro Celebrity means everyone is forced to play with some fat old comic like Jimmy Fastbuck, a knackered actor such as Roger Boore, or any other

showbiz giant with a potential heart condition. In such a situation, 'sudden death' seems an unfortunate phrase. But at my tournament it merely summed up the reaction of the crowd to most of Fatbuck's jokes.

I was teamed up with four other major stars — 0077-year-old actor Shorn Canary, Bruce Falsehair, the midget comic Ronnie Sorebit and limp wristed comedian Larry Gaystroke. We were all handicapped — in the case of Sorebit mentally and physically — and up against such golfing greats as Nick Faldown, Ian Boosman, Tony Jackoff and the American Godhees Strange. Straight away, on the first hole, a 558 yard par five, I had a problem — not enough clubs.

"Excuse me, Larry old chap," I asked the simpering gag bandit. "Can I borrow your No 2 iron?"

"No, sorry," he trilled. "He's looking after my Nigel whilst I'm away."

"Wooo-wooo-wooo what about mine, my love?" said Falsehair offering me one of his, each with the head protected by an old wig. I took the shot but sliced wider than a butcher with the bonk carving ham for the local tart.

"Oooooh-wooo-wooo shame, my love, shame," sympathised Falsehair. "Looks like you're into a bit of rough."

"That makes two of us,

sweetie," responded the piccolo-voiced perv in the pink pully.

Sorebit's shot was equally bad but he had the advantage of not having to walk — his caddy carried him in the bag with the clubs. Brucie and the James Bond of the silent days both hit the fairway.

My second stroke had to be played from where it landed — in a cluster of sheep shit. I swung and saw five balls, four black and one white, fly into the air. Unfortunately due to a bad kiss off the brown, the dark ones landed nearer the hole than mine. Sorebit was in worse trouble. He was in a deeper bunk than Hitler. Then Falsehair made it on the green for two but lost his wig as he swung. In his hurry to hide his pate from the public, he accidentally put the divet on instead of his rug. If anything, it was more convincing. Shorn made it to within two foot of the hole. We were stirred but not shaken.

By the end of the hole, the geriatric James Bond had eagled, Brucie birdied and Sorebit buried himself. I managed to get one over. Not one over par, but one over the lady greenkeeper who tends the semi-rough at Loyal Rhythm. After a few perfect strokes, I plopped it straight in the hole.

Fuck golf, that's what I call good exercise. ♣

Dress You Up

I know most men enjoy looking at girls in sexy underwear, like those in the pages of Club, but I wonder how many girls actually go to the trouble of dressing up for their husband or boyfriend. They might be surprised at

how effective it can be at spicing up their sex life.

I've always gone for sensible but rather dull cotton undies, until one night a couple of months ago, when my husband Geoff was flicking through the Christmas issue of Club (Vol 19 No 13), I noticed his eyes lingering on the gorgeous blonde Fiona.

"She's fantastic," he said, "especially in the shots where she's wearing that lacy basque. Wow!"

I have to admit, I was getting pretty turned on looking at her myself, but it

That's clever! What else can you do with it...?

CLUB COUCH

Searching analysis on the *Celebrity Couch* with **Bernard Manning**.

Now, Mr Manning, just lie back and relax, while Club's resident shrink, **Sigmund Fraud**, pokes around inside the inner depths of your vast, very vast, cranium, in an attempt to see what makes you tick...

Oh sorry, I'm late, Mr Manning. Bloody hell, was it cold in the ground this morning, you bald bastard? I've been waiting hours. God, you're a weed. I bet on a windy day you twang.

Ah yes, you're the patient with the latent hostility brought about by a deep-seated resentment of other people. We must find the root cause of this. Tell me about your job, Mr Manning. Me, I do the hardest fucking job in the world — a stand-up comedian. Up there on your own. Been doing it for years in

working men's clubs, Labour clubs, Conservative clubs... Mike Yarwood, Jimmy Tarbuck, they all started the same time as I did. They're still doing the same fucking acts and all. Me, I'd be doing two or three club nights a week at that time, doubling up to get a decent wage.

I see, so... We all were. Remember that Ken Goodwin? He was on the Comedians with me in the 70s. I remember him when he did a George Formby set with a ukulele. He was no fucking good at that either. Now me, the audience only has to look at me and they're fucking falling about, saying, "Fucking 'ell, I'm glad I don't look like him."

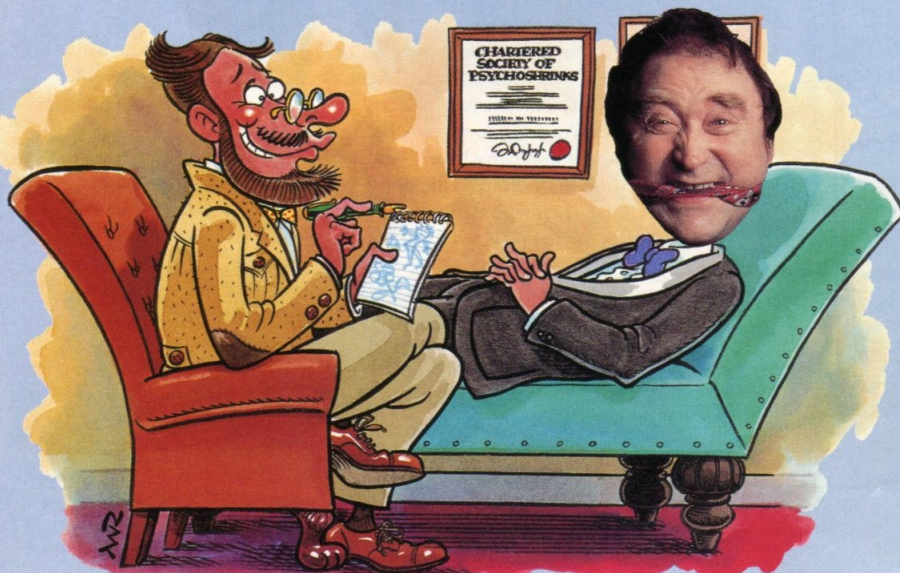

Quite, but... Not like that Ken Dodd, he opened a packet of cigarettes

the other day, and a picture of Stanley Matthews fell on the floor. He switches his wipers off going under a bridge. The soles of his shoes are so thin, he can put his foot on a coin and tell you if it's heads. But I like to go to Liverpool once a year — just to visit me hub caps...

I'm sure, so... And now it's all this fucking alternative crap with those barmy fucking Young Ones and Ben Elton. There must be something fucking wrong with me but I can't see anything fucking funny about that. I've been in the game for 40 years. That Elton's not only left-wing, he's fucking rubbish. Anyone can make a load of shit up about Margaret Thatcher. But I'm not the vindictive type...

also put an idea into my head. After ten years of marriage, my figure is curvier than it used to be — but in all the right places! Perhaps it was time to find out how I'd look in something a bit saucier than my usual undies.

The next day I went out on a special shopping trip, and spent a couple of hours looking through the big shops in town to find something really flattering. I settled on a

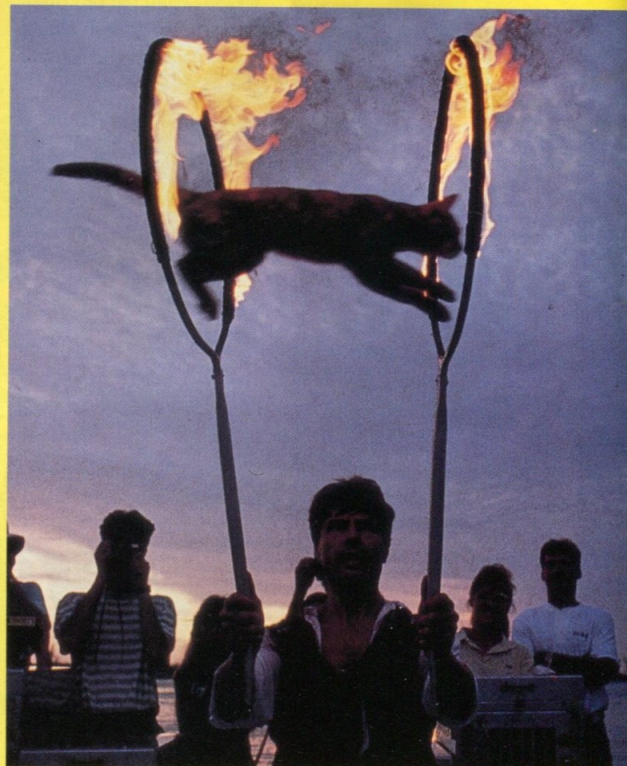

slinky peach silk number, which laced up the front. By the time I got home I was feeling so randy, just thinking about the effect it would have on my husband, that the first thing I did when I got through the door was give myself a good frigging! Then I got myself dressed up, ready for Geoff to come home.

When I heard his car pull up outside I ran downstairs,

Geoff couldn't even wait long enough for us to get upstairs. We ended up making love on the stairs, something we haven't done since we were first married. Needless to say, I've bought quite a few more sets of sexy lingerie since then! It might be a simple idea... but it certainly worked for me! —

something of a tourist attraction in Key West, Florida, United States.

Cat lovers come from miles around to see them perform the sort of tricks that would have a rottweiler wetting itself. The miraculous moggies fly through the air, leap through flaming hoops and use up an average of eight of their nine lives per show to the catcalls of an enthusiastic audience.

Despite the dangers, Dominique claims that he doesn't believe in hurting anyone's felines, but in tests eight out of ten passers-by (who expressed a preference) still said that he was, indeed, "one weird asshole, man." ♣

There's something about girls with tattoos – especially when they're discreetly tucked away in a very private place. After all, they have them put there for a reason, don't they?

"Well, my own reason was pretty simple," says pert 19-year-old Paula. "It drives men bananas!"

They all reckon that a girl with a tattoo is game for anything, and in my case they'd be dead right!"

Paula usually flashes her killer pout around the pubs and clubs of her local Norwich. "The students at the University of East Anglia are the best: those blokes are keen, I can tell you. I love an intelligent man, as long as they know when to stop reading about it in their DH Lawrence novels and start practising the real thing!" ♣

.....IT IS NOW!

Sports hack **Maurice Short** comes up with ten things you didn't want to know about soccer's Clown Prince, Gazza...

There was one word I hoped never to use in this column.

However last week the Ed phoned me up and said that if I didn't he'd cut off my

spondoolicks — a threat that set my accountant's eyes watering. "Never mind your principles, Maurice," he said. "Never mind your professional standing. Just get out there in your sheepskin greatcoat and give the punters what they're crying out for."

So here goes. Gazza. Gazza, Gazza, Gazza, Gazza. And even more Gazza.

Ten Things You Didn't Know About Gazza

- 1) Gazza is not his real name. He was christened Janice Stott.
- 2) As a teenager Gazza's ambition was to work in the Prudhoe Co-Op.

3) Contrary to popular belief Gazza's favourite food isn't Mars bars. He prefers doormats. Especially lightly poached in brown ale and served on a bed of crisply fried bicycle clips.

4) Gazza loves the ring-pulls from 70s fizzy drink cans. He has a collection of over 45 million of them stored in his Hertfordshire home.

5) When he was a boy Gazza made frequent appearances on the TV show *Thunderbirds*. He played the part of Lady Penelope's nephew Rupert.

6) Gazza was once mistaken for a porcupine by the bass guitarist from Paper Lace.

7) On his 16th birthday Gazza was dancing at a Gateshead night club when his Y-fronts spontaneously combusted. Luckily he managed to get out before he was hurt.

8) Gazza is the Mongolian

word for an instrument that is used in the artificial insemination of Yaks.

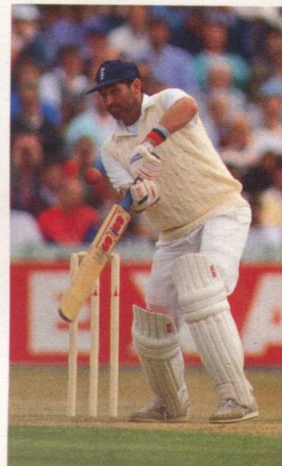

9) Although he has never admitted it publicly, Gazza's most cherished ambition is to empty two buckets of live whelks into the cistern of Sarah Greene's toilet.

10) Gazza's great-uncle Bob invented porridge.

My pigeonhole has been filled this month by letters begging me to name my all time sexiest sportswoman. Naturally, I find this very offensive. Sportswomen should be judged solely on their performances. Nevertheless, when I was younger and less politically aware it must be said that I wouldn't have minded doing a few floor exercises with Soviet gymnast Nelly Kim.

CHUTE TO THRILL!

When it comes to committing suicide you usually find that a good dose of arsenic is just the ticket. But failing that, you could always try a sturdy length of rope secured tightly at one end around your neck. But it seems these tried and tested

methods of throwing off your mortal coil have become obsolete, even passe, because those loveable Continental types have come up with a whole range of new and exciting ways to kill yourself.

Pioneers of the spectacular series of designer suicide attempts are Bruno Gouvy

and his maniac companion, Patrick de Gayardon.

(Gayardon? What sort of fucking name is that? — The Ed) Their first attempt, pictured here, involved nothing less than hurling themselves from a helicopter at an altitude of 6,600 metres on their surfboards.

But, oh dear. The dangerous duo failed, and survived horrifically in front of millions and millions of licence paying Japanese television viewers.

But not to be deterred, Bruno Gouvy went on to make an attempt at the world speed suicide record by hurtling out of a plane at a potentially lethal 539kph.

But obviously this just wasn't quite lethal enough, for having fucked this up too, he was stricken with an overwhelming desire to take his own life more than he ever had been before and staged the most sensational suicide failure of all time: a three-in-a-day extravaganza consisting of landing badly hurt on the peak of Mount Drus, speeding unsafely across La Niche crest and then paragliding with mortal injuries down to the valley far below.

So exhilarating was this triple terror that Gouvy declared, "I want to live..."

But that was before his fourth attempt. (Only joking) ♣

advised to look around for a few new signings and suggests: Fokin (CSKA Moscow) and Stefan Runtz (Bayer Uerdingen). He also thinks that Wolf De Beer (Borussia Dortmund) and Pister (Antwerp) would make a powerful cocktail upfront. (No, I didn't believe it either, readers. But I just checked in The European Football Yearbook and it is all completely true!)

Of course anything foreigners can do, we can do better. To this end I have been keeping an ear cocked in the direction of Craven Cottage. Fulham are managed by Alan Dicks. After a recent poor run it is surely only a matter of time before I hear a chant of: "Dicks Out! Dicks Out!" echoing from the terraces.

Once again the cricket season is upon us. Soon

England will be playing the West Indies. Ted Dexter, Mickey Stewart and Graham Gooch all believe that England can win. I believe that too. England *can* beat the West Indies. Unfortunately it's more likely that Quentin Crisp will marry Melanie Griffiths and Pinky and Perky become joint Presidents of America.

Still, if you thought watching cricket in England was bad then spare a thought for those Down Under. During the Australia v England one-dayer at Melbourne in December between innings entertainment was provided by The Frisbee Catching Wonder Whippet. As an Australian once remarked to this columnist: "Anyone who says there's no culture in Oz is a fucking lying bastard." Point taken, mate.

And G'day. ♣

RearEnders

The everyday story of simple bum-loving folk...

Fanny Porker, the snobbish ex-landlady of the *Queen Dick* in Allbutt Square, strode purposefully up to the bar.

"I've just got my hands on *The Dick* and I intend to make it twice the size," she mused. "I'm going to extend it into Rita's Kabin, and even knock through into Alf's Emporium. All those dusty pictures of bare bottoms can go for a start. Bums are old fashioned. The new yuppies in Wancashire want class, not arse."

"Bollocks to that!" cried Kevin and Silly Plebster, the macho mechanic and his moronic wife. "There have been arseholes in here since Albert Fat-cock's day."

"That's right!" whined cordouroy teacher Ken Borelow. "No geriatric barmaid is going to pinch our bottoms."

"You tell 'er, tweacle!" said Pete Feale, owner of the naughty knicker stall in Allbutt Square. "Those aren't just arses, they're old Feales going back gener-wations."

"Bloody right, chuck!" screeched Vera Fuckwitt.

"And I'll have a ham balm cake, please."

"You see what you're up against," said Alec Killjoy, husband of Butt, who handled *The Dick*.

"Buttocks have always been big round here."

"That's not what the brewers, *Scrotum and Piddley*, say," said Fanny defiantly. "From tomorrow this becomes a cheek-free zone. Welcome to Wimpo's Whine Bar..."

Will Allbutt Square really become a bottomless pit? Tune in again next month to find out... ♣

Ginny

Hi guys, it's your bareback rider Ginny here, and this month I'm hot to trot. A whole string of you Club stallions stampeded the offices asking me to dress up in riding gear, and so here I am all ready and willing to get mounted!

I only learned to ride a

couple of years ago, and I remember the first time I climbed into the saddle very clearly; the feeling of that hard leather rubbing between my legs was so exciting! I love to take a thoroughbred out for a long hard gallop, feeling all that raw power surging between my thighs.

It's the jumps I love best; that sense of absolute freedom as I fly through the air. I squeeze my thighs tightly together to keep my balance. You have to be pretty strong to control a hot-blooded steed at full tilt, so by the end of a good long ride my horse isn't the only one who's panting and sweating, I can tell you!

By the time I get back to the stable my pussy is dripping from all that delicious friction, and I just can't wait to peel off my prim and proper equestrian gear. I start with my smart jacket and then my starchy shirt, which teases my nipples until they're so sensitive. Then I pull off my tight jodhpurs and shiny boots — and now I'm feeling so incredibly horny I just hope there's some randy young groom around to join me for a roll in the hay. I reckon it's the closest I'll ever get to a stable relationship!

Yes, a good gallop is the best foreplay I know. Thanks for all the sexy suggestions guys! Who knows, maybe next month it'll be your fantasy I'm bringing to life...♣

**If you want Ginny to fulfil your fantasy,

10 letters to **Ginny**

Dear Ginny,

Seeing you in each issue of Club is definitely the highlight of my month, and I've spent quite a few nights lying awake thinking about how great it would be if you were with me. Well, it might be just a dream, but I'd like to share my favourite fantasy with you, and then I'll know that you will be thinking about it too!

In my fantasy, I'm in my local pub playing pool when you walk in. You're wearing tight jeans, high heeled boots, and a sheer white blouse. You challenge me to a game of pool; I'm normally a good player, but the sexy looks you keep flashing me are making it very difficult for me to concentrate.

I'm winning the game, but just as I'm about to take a

shot you whisper, "How would you like to make love on the pool table?" That's it, I miss the shot by miles! You burst into fits of laughter, and say, "I'm sorry, that wasn't really fair... but maybe I can make it up to you?"

Hmm, what shall I ask you to do, Ginny? I just happen to have my own pool table at home! — *Norman, York*
I love watching guys playing pool, Norman — the sight of a trim bum wriggling as you bend over to take a shot is just so sexy! I haven't had sex on a pool table yet, but you all know that I just adore doing it in unusual places. I'm not a very good pool player to be honest, but I do know how to grab the cue and get those balls moving! Ah, but would you forgive me for ruining the baize?

Dear Ginny,

My name is Joanne and I'm a 20-year-old lezzie with a good figure and long brown

hair. You've been my one and only dream ever since I first saw you in Club, and I just can't get you off my mind. Even now, as I'm writing to you, I'm looking at one of your pictures which is on my wall.

You look fabulous in every issue, but the wedding set in Vol 20 No 1 was something else. I wish we could get married, Ginny — I'll bet our wedding night would be pretty special!

I know you say you've never been with another girl, but I'm not sure I believe you! Your creamy skin, silky blonde hair, voluptuous curves, lickable boobs and especially that sweet, juicy pussy would be too much for anyone to resist, and that includes all us hot lezzies who like beautiful girls. So come on, Ginny, own up! — *Joanne, Kent*

Honestly, Joanne, there's nothing to tell. Well, nothing much! I admit I do like to get my pussy fingered by a girl; I met up with a very sexy lady the other day and we did get pretty carried away. But that's as far as it's gone, up till now. Mind you, some of the naughty letters you girls have been sending me are putting ideas into my head!

Dear Ginny,

I'd just love to see your beautiful body wet... in the shower, in the swimming pool, but above all in the rain! First of all, you'd be wearing a thin white top and skirt which would cling to your curves, turning almost transparent in the downpour. Your nipples would poke firmly through the dripping fabric, and I can almost make out the curves of your delicious pussy as I take you

inside to dry off. You peel off your wet clothes, and drops of rain slide down between your boobs and over your flat stomach. I suggest a hot shower to warm you up, and to my delight you ask me if I want to get in the shower with you, so that I can soap you. I'm getting in a real lather just thinking about it!

— Paul, Exeter

Water always makes me feel very randy indeed, Paul, so I found the perfect place to read your letter... in the bath! The tantalising sensation of the warm water washing between my thighs soon got me tingling all over, and it wasn't long before I was smoothing the bubbles over my boobs and then down between my legs. My pussy lips were soon smothered in frothy bubbles, so I guess you could say I got in a bit of a lather myself! ♣

BOOM

Betty

*As Boomania grips the country, Club's hip hopper **Ron Dubbs** risks being spiked with a stiletto to rap with pop's sexiest new star...*

On a recent trip to America Betty Boo, recent winner of The Brits 'Best Newcomer Award', was doing a walkabout interview for a local television station on the streets of Chicago. A few minutes into the piece a hulking brute with a shaved head pushed in front of Betty

and started to badmouth the camera. He only got half a sentence out before he was shoved unceremoniously to one side by an annoyed Miss Boo. "That's enough about you," she declared. "Let's talk about *me*."

Pop's latest cartoon-come-to-life may seem cute as pie

but give her reason to get annoyed and she's likely to smash that pie straight in your face.

"I can be a right bitch," she admits flashing a wicked smile.

Betty (real name Alison Clarkson) started young. At two she nearly choked her younger brother to death by force-feeding him a packet of salt and vinegar KP Discos; as a teenager she deliberately tripped up a rich

woman in a shoe shop because she was flashing her money around; and more recently, she hurled a torrent of abuse at a studio engineer who dared to pinch her bum during a recording session.

"It comes from growing up in an all-girl school. 'Bitchy Boo' they called me. Or 'Ayotollah'," she explains of her Hammersmith upbringing. "I was too smart for people to handle. I used to throw tantrums and be really rude."

She also used to throw chairs at teachers and got suspended for fighting during a cookery class.

Being half Scottish, half Malaysian accounts for her exotic looks; the almond eyes, the jet black hair and the olive skin. It also led to problems.

"I wasn't black and I wasn't white. I used to get called lots of names. There was always someone trying to have a go at me."

One time a jealous rival pulled a knife on her at a party and as she tried to defend herself she almost ended up losing a finger.

So she got tough: played

"I think Madonna's got a lot of bottle doing things like masturbating on stage"

football with the boys and took up rowing to beef her up.

"I pretended I didn't care about all the stick I used to get," she says angrily. "But I used to go home and cry to my mum."

Now she can laugh about it. The girls who used to abuse her are now stuck behind a counter at Marks and Spencer while Betty is off globe-trotting it round the world — and doing very nicely in the bank account department, thank you very much.

A couple of months ago she bumped into one of her old teachers. She casually dropped it into the conversation that her record company had just given her a £10,000 bonus, knowing full well that he probably didn't earn much more than that in a year. "He shouldn't have given me such a hard time," she says in her defence.

It was her tough nature that got her into the business in the first place. One evening she saw a member of hard-line American rap group Public Enemy — over here on tour — in her local McDonalds. Not long out of school she marched up to him and told him his group were crap. He was so impressed with her attitude that he invited her and the rap group she was then fronting, The She Rockers, over to New York to record. Although it didn't work out — The She Rockers fell out with each other — it gave Betty the impetus to eventually go solo.

She stormed the pop charts in fighting form with *Hey DJ*,

with a video in which she ground a radio DJ under her stiletto for his dreadful taste in music. Her *Doing The Do* video gave her another chance to get her own back on her old school. More recently she's adopted the 60s style kinky boots, tight hotpants and Emma Peel type stance. It's her own image and there's no record company telling her what or how to wear it. It's what she wants to wear.

"I'm in charge. I call the shots. I can do what I want with my career. I really argue with my record company boss. I'm always throwing

tantrums, especially if they send out pictures I'm not happy with."

She writes and produces all her own stuff and her talent attracted the attention of Sire records supremo Seymour Stein (the guy who collared Madonna) who signed up Betty in the States.

Could she be England's answer to Madonna?

"I'm not hugely ambitious," she admits. "But I do admire her. I think Madonna's got a lot of bottle doing things like masturbating on stage and stuff."

Any Ciccone-type skeletons hanging in Betty's closet?

"There's nothing I'm ashamed of. I'm quite prudish actually."

Is she too tough to be a sex symbol?

"I'm quite shy about my body, but I can't help the way I look. I was born this way," she announces. "If people want to look at me as a sex symbol, they can, but they're not going to have me are they?"

So no Madonna type ambitions at all?

"I'll get more ambitious as I get older," says the 20-year-old. "By the time I'm 30 I'm going to stomp on all the female writers and producers in the record industry and hopefully make a mark for women because I found that a lot of female artists don't have a mind of their own."

Betty certainly has, and if you're prepared to listen, she's more than happy to give you a piece of it. ♣

IN THE BAG

continued from page 15

I've been left with a very definite slant towards French women.

This all came about when a friend of mine, Marcus, invited me to his 30th birthday party. The party was held on a barge that was permanently moored on the bank of the Thames.

I'd been to a few of his parties before, and while they are certainly nothing to write home about, this one was rather special. Why? Plain and simple, the guests. In particular a party of French ladies whom he had invited, who were in England studying the English language in London.

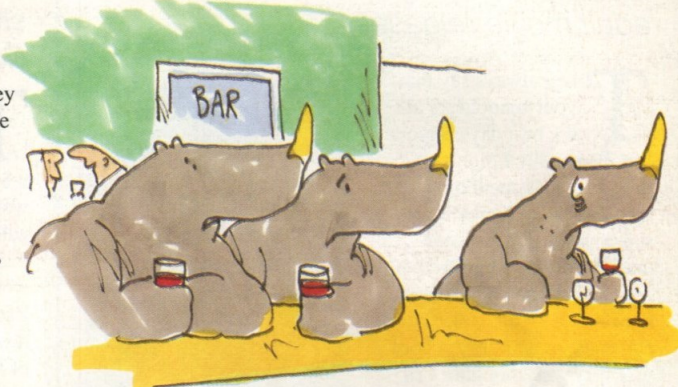

One lady in particular caught my eye. She was absolutely gorgeous, dressed

in a bright red, tight fitting dress, with a matching pair of red, open-toe, high heels. She had one of the most beautiful bodies I'd seen in a long time — tall and slim, but with rounded bumps in all the right places, all topped off with tumbling blonde hair. I was sure that her eyes were

wandering in my direction as I stood there open-mouthed in admiration. I waited until she was alone, then walked across to her and offered her a drink. She answered in one of those luscious French accents that is guaranteed to make any red-blooded male go weak at the knees!

As the evening wore on, Veronique and I got on famously together. She explained to me, in a rather quaint pidgin-English style, that she was here with a small party of mature French students for six weeks to

They always say that your schooldays are the best days of your life. Personally I didn't find this to be so. I spent most of those so-called happy days standing outside the headmaster's office with the complete works of William Shakespeare stuffed down my trousers. Still, my school was very well thought of (it was approved). The reason I mention schooldays is because we start this month's round-up with a couple of sexy comedies revolving around naughty goings-on in American high schools.

D-Type Jag: Knob on wheels

PHUT PHUT PHUT!

Motoring correspondent, **Horst Pipe**, is to cars what Stevie Wonder is to snooker. Read on, as he reports on the Car of the Century...

The motorcar is now 100 years old, but the Queen forgot to send it a telegram. Instead the world's experts recently gathered to celebrate and to decide which wheeled wonder, from Alfa to Zastava, from Fiat to Ferrari, deserved the accolade of Car of the Century. Not surprisingly they all agreed on one thing: an early bath for the Citroen 2CV, disqualified on all counts.

Many others can be ruled out just as quickly. Trabant, Skoda, Yugo, Wartburg — in fact, anything built in Eastern Europe. Or Cowley — who can forget the raw unstoppable power of the Morris Marina? The list of other duffoes is seemingly endless. Remember the Lancia Beta with its optional 20-minute rust warranty? Or the Renault Four, the car industry's answer to Keith Chegwin. And for fresh-airheads there's a wide choice of sheep in wolves' clothing — the 'classic' (i.e. old before its time) MGB, the Spitfire

and of course the TR7. All three offered enthusiasts crap performance and all the draughty drawbacks of a traditional two-seater. At the other end of the car park even Rolls Royce managed a major fuck-up. Called the Carmargue, it was in its time the world's most expensive car but looked exactly like a two-door Mark 4 Cortina.

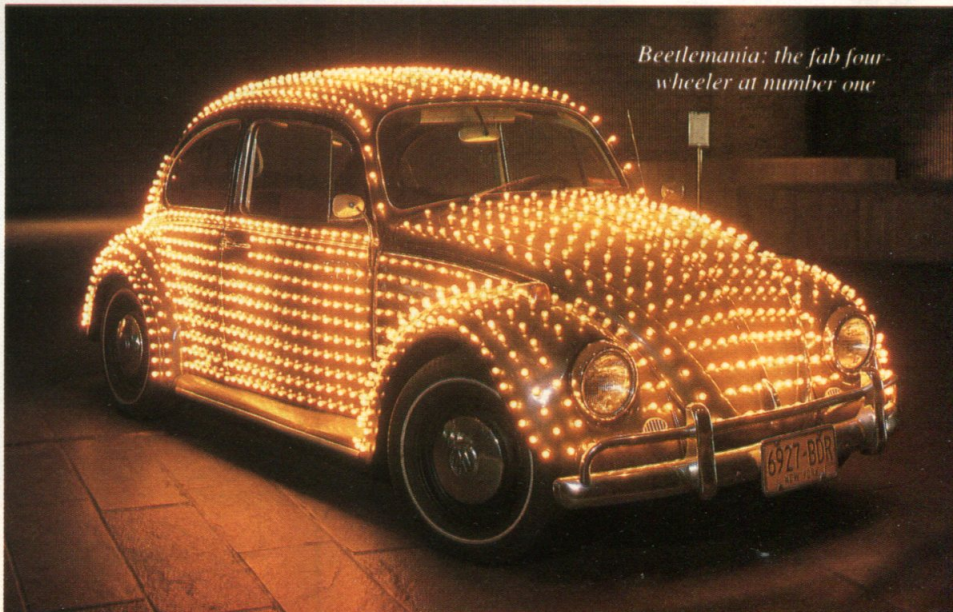

Further south, Italian ingenuity produced the Fiat 500, the nearest thing on the roads to the Tardis. Outside it was no bigger than a telephone box, whilst on the inside it was no bigger than a shoe box. From Japan came the offroader for everyman; driving the tall and narrow Suzuki Jeep was said to be as easy as falling over.

So much for the crap end, but what about the good stuff? Many of the great marques are gone now — Bugatti, Isotta Fraschini, Delahaye and Hispano Suiza — but some survive and of these Ferrari must be in with a chance with their fabulous twin-turbocharged F40.

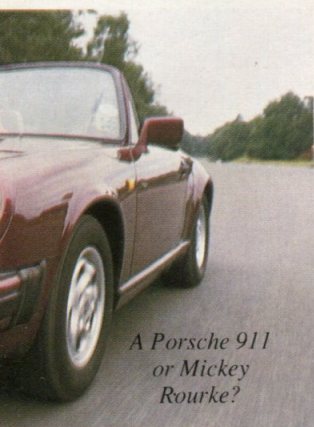

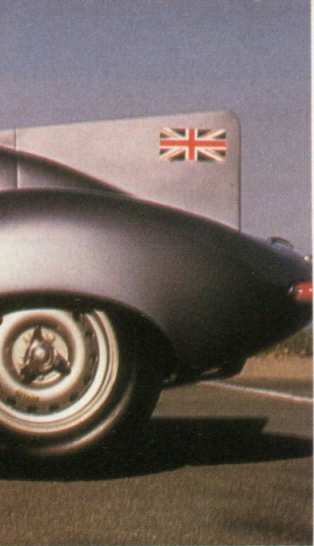

Nearly 500 horsepower means 0-60 in just over four seconds, 200mph+ on the flat and the kind of muscular authority which makes traffic cops give up and go home. With dozens of noisy thrashing cylinders, valves, camshafts and oily bits, it has to be a winner. (However, half a million smackeroonies doesn't get you a catalytic converter so if you're a whale or a tree you'd better think about something else.)

From England the older but equally impressive D-type Jaguar is another favourite. It has only a post-war six-pot but still managed 186mph and two wins at Le Mans. The Bugatti Royale wasn't that fast but it was flash, with

Beetlemania: the fab four-wheeler at number one

a ten foot bonnet, Louis XV interior and a solid silver mascot. It was intended for royalty only, but unfortunately none of them could afford it so any second-hand examples which pop up in the back of *Exchange & Mart* will have a low mileage. (Good job too, at £10 million.)

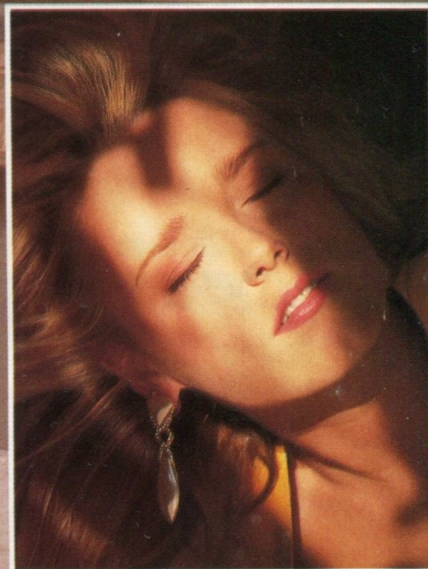

Then from Germany, 25 years old, and still making a racket, the venerable Porsche 911 is favoured by many. It may look and sound like a VW but a turbocharger the size of a Barrat Starter Home gives it 310 bhp and more pulling power than Mickey Rourke.

But enough idle speculation, which car actually won? Well, it's got running boards, but it's not a Bugatti, its cylinders share a race-proven 'boxer' configuration, but it's not a Ferrari, it's rear-engined but it's not a Porsche. Give up? In fact, it's the Beetle.

Yes, conceived by Adolf Hitler, driven by hippies everywhere and immortalised as Herbie, this they tell us is the Car of the Century. They've built almost 21 million, and the 50-year-old design is still going strong — if, that is, you call 79 mph going and 44 bhp strong. After you with the aspirin. ♣

MEET THE STAFF

In a great new series which the Editor thought of all by himself, we invite you to — meet the staff! This month, writer and sub editor **Richard Guy**.

The editorial department is positioned in a dark and smelly cellar three floors below ground, at the lowest level of the palatial Club HQ. There sits Richard Guy, hunched over his desk, cackling to himself: "Ye'll nay get that crap joke past me, laddie," grunts the gaunt Glaswegian as he wields his mighty blue pen.

Richard is dedicated to his job, which he describes as "cutting out anything witty or in good taste. If there isn't enough insults and sick stuff, I have to write some. It's a responsible job, mind."

Richard is notoriously the most unhealthy member of the editorial staff, and has been in an advanced state of decomposition for some years.

However, he insists that this has never hindered him in his job, and the Editor believes him.

His one weakness? "Och, apples maybe. An apple a day keeps the doctor awaa, as they say. A banana looks more like a willie, mind. There's a joke in there somewhere." And if there is, Richard will cut it out. ♣

of the three Rs — that's Randy, Raunchy and Rampant. Like all older women in these sort of sex pics, Joan is salivating slavishly for a real man of around 18 years of age, and once she finds one in the shape of virginal Tommy (Michael Morgan), she quickly shows him that it really isn't for stirring his tea with! The makers of this one went on to explore a similar theme in *Private Lessons* (with Sylvia Kristel), but this is by far the better movie of the two. And as an extra bonus for star spotters, *Hill Street Blues* fans might like to know they can spot series regular Betty Thomas in one of her first movie roles — disappointingly, she manages to keep her togs on...

If you're one of the millions who are hooked on the confusing *Twin Peaks*, then you'll no doubt already be familiar with the curvaceous

contours of sultry starlet Sherilyn Fenn. Her performance in *Desire and Hell at the Sunshine Motel* proves that this gal knows as much about acting as my arse knows about snipeshooting. But with a body like that, who cares? Sherilyn plays a character called Bridey, who the film's narrator describes as 'a living, breathing sex

goddess with a low, sensuous voice, shiny red lips and a lazy, sultry, hip-swinging walk.' There's typecasting for you. The plot kicks off when Bridey and her slobbish salesman husband Chester check into separate rooms at the swanky Sunset Hotel, arguing loudly about everything in sight. If this is the perfect marriage, then Ollie Reed only drinks tomato juice.

Pay attention now: Bridey goes down to sunbathe by the pool while Chester goes off to meet a weird little guy named Deadpan, and doshes up a large sum of money for him to keep an eye on his faithless missus — a good deal really, because most of the male population would gladly do it for free. But Deadpan is a bit of a psycho, who keeps having those flashbacks that Vietnam veterans always get just before they go bonkers and massacre everyone at their local fast-food restaurant. Immediately he sets his rolling eyes on the voluptuous Sherilyn, he decides he'd much rather bump off Chester and get his hands on our heroine's twin peaks. But Ches isn't as daft as he looks and he has hatched a sort of double-double cross that left me scratching my head and asking, what the fuck is going on here?

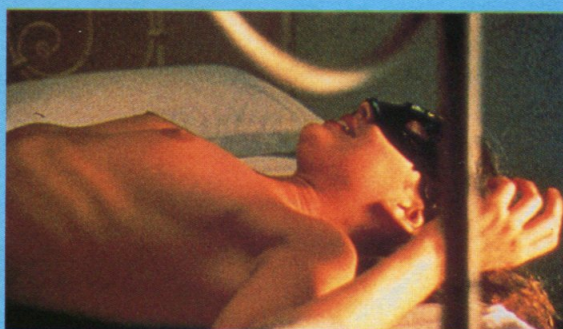

There is a certain amount of evidence in the campy

Carre On Shagging!

Mickey Rourke gives yet another elegant rendering of a greasy pervert in this *Nine and a Half Weeks* re-vamp. Having been a pervert already in a

fairground, a bar and a New York delicatessen in previous films, he now lurks rather desperately at a succession of incomprehensible Brazilian parties. But no one gives a shit

about him anyway, as he's only there for Carre Otis to shag at the end. And the only conceivable reason for watching this film is to see Carre Otis's tits.

After having whinged around the film for most of the time, she finally bares her gazongas for shots so bumpy and intimate you could be forgiven for believing she was actually screwing the camera man. Until, of course, Rourke's achingly familiar bottom makes its appearance. A good freeze frame could capture you a glimpse of Carre's pubes but it's her tits that make this vid well worth viewing, so our

advice is to fast forward to the end bit.

If this sounds like your sort of film Club has ten copies of *Wild Orchid* to give away! Yes, that's right, ten lucky readers will get as near to Carre Otis's tits as you'll ever get in your whole life.

What do you have to do? Simple! Just complete the following sentence in no more than two thousand words: *I would like to see Carre Otis's tits because...*

performances that this is not to be taken seriously. But the main thing to bear in mind is that we do get to see Sherilyn's tits roughly 36 times during the course of the action. Now *that's* what I call entertainment!

Let's finish with something for the ladies. *Girls Night Out* features a dozen hunky males wobbling their

wedding tackle across a rickety stage in front of the lustful eyes of more than 400 screaming females. This video contains 60 minutes of knob-throbbing action with guys like 'Big Bill', 'Randy Roddy' and 'Vacuum Cleaner Hose Vince' looking distinctly uncomfortable as more and more money is shoved down the front of their miniscule G-strings.

"I love big cocks," confides one choosy blonde lady during the action. "But small ones are okay too..." Get this flick for your girlfriend and you could find yourself reaping the benefits. Either

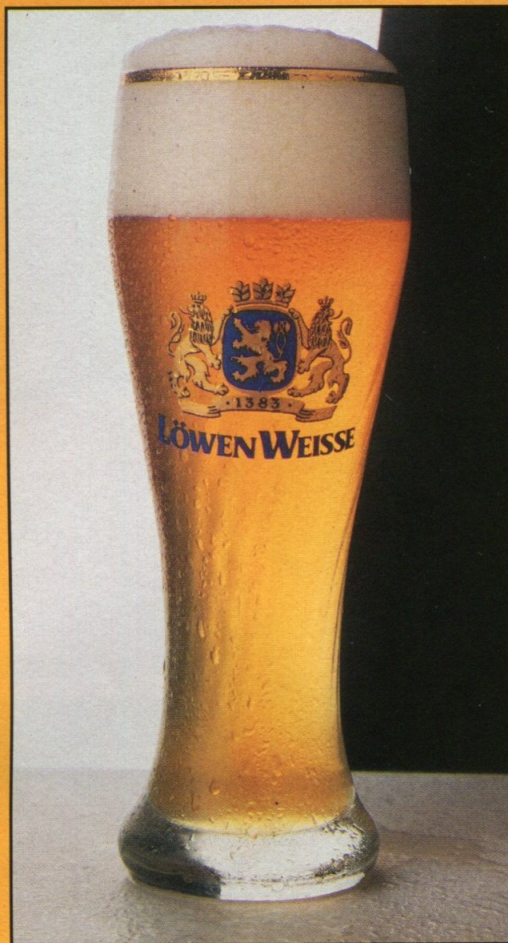

that or she will finally realise what she has been missing all these years and chuck you out on the street! ♣

DICKY HOWETT

PINT OF THE MONTH

*Sod Corn Flakes — wake up to Weetabeer! That's if you can pour the bastard stuff. Our specialist in suspiciously cloudy Kraut brews, **Arthur Lager**, bets you can't drink three before you've finished this suspiciously cloudy prose...*

Great news for fans of the liquid breakfast — the Germans have come up with Weetabeer! Yes, you can enjoy all the goodness of a bowl of Corn Flakes in a bottle — and get pissed too. *Lowen Weisse* bottled beer (it's pronounced "Low and vice") is made from wheat and continues brewing in the bottle so it's as murky as the Danube, with a heavy layer of sediment. If this brings back unhappy memories of bowking in the bowl after inadvertently swilling the sludge at the bottom of a bottle of Worthington White Shield, then there's one big difference. With *Lowen Weisse*, you're supposed to knock back the lot!

Just pouring this stuff is so complicated that the staff of the Taylor Walker pubs selling it have been undergoing secret training with crates of the stuff provided free by Allied Breweries *Weisse Squad* — lucky bastards! Fortunately one was sober enough to tell me how to get the best from your neat wheat, mate.

How to drink bloody awkward German wheat beer in ten difficult stages:

- 1) The glass you're pouring it into should be chilled.
- 2) It must also be wet.
- 3) The glass should then be tipped till nearly horizontal.
- 4) Pour the *Lowen Weisse* in slowly but evenly down the inside of the glass (like Guinness).
- 5) Do not stop and start again!
- 6) When you reach about half-an inch from the bottom of the bottle, stop pouring.
- 7) Swill the remaining beer around in the bottle to mix in the yeast sediment.
- 8) Plop the slop on top.
- 9) You should then ideally have a cloudy glass of beer with a two-inch head in front of you. If so, drink. If not, drink it anyway — it's fucking expensive!
- 10) Repeat until you throw up/ fall down/ get chucked out of the pub.

Finally a word about the cost — *Lowen Weisse* is high in price! But for your £1.80 for a 33cl bottle, you do get a bloody strong drink — 5.4 per cent by volume compared to around 3 per cent for ordinary lager. What does it taste like? Fuck knows! We haven't managed to pour one properly yet. ♣

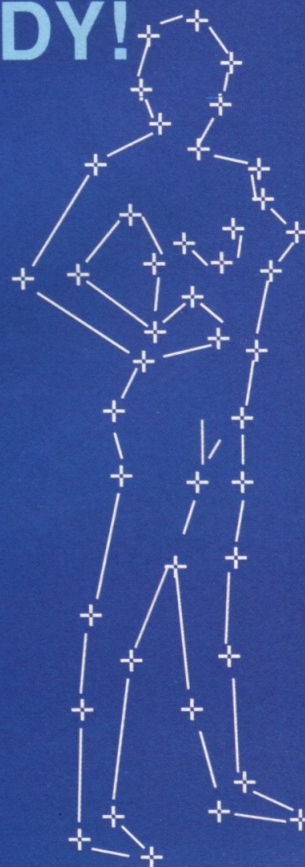

HEAVENLY BODY!

Look out this month for some strange happenings in the world of extra-terrestrial space studies. Boffins at the *Centre for Research into Astronomical Phenomena* in Boston, USA were in touch with *Club International* recently with news of a startling new phenomenon.

On the first day of April 1991, the little-known red dwarf star called Dogon will make its way into the northern skies for the first time in nearly 14 billion years. This will give rise to what is known as a 'momentary constellation' which will be visible to the naked eye for approximately 1.6 minutes. This constellation has never been seen before, and has been named the *Aprilius Foolus*, by Professor Hans Upercuntt of *C.R.A.P.* But what makes this starry sight so special?

"It is the configuration of the astronomical objects," reveals the Prof. "Yes, the stars make up the shape of a gorgeous sexy girl!"

Just look at the artist's impression here — we think it's well worth getting up at four o'clock in the morning to see those globes! Happy star-gazing. ♣

Marie may not be a familiar face to fans of the female form just yet, but give her time and she'll come trumps.

"I've got my sights set high in the modelling world," confessed the 21-year-old art student from Glasgow. "I really got a taste for it after I'd done some amateur modelling for students back in Scotland. The art college needed someone to pose so they could sketch and paint real-life figures. Of course, I volunteered straight away! I marched right up to the head tutor's office and told him that I was the right lady for the job, and after seeing me in the flesh he just had to agree!

"It wasn't anything to risque, just flashing a subtle bit of boob, but I was really after something a bit more, erm, naked! I think posing nude is just so sexy!

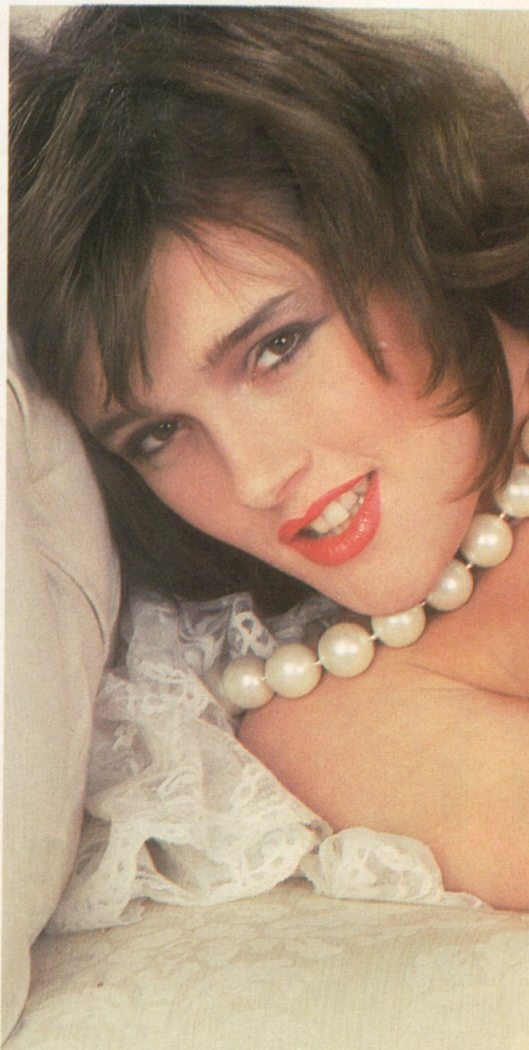

"When I model I try to give it my best shot, you know, looking at the camera with a dirty look on my face, or pretending that I'm just about to make love. It works all the time!"

"And," Marie told us forcefully, "I aim to be in Club at least 5 times over the next year! I really fancy the idea of men drooling over me, and fantasizing what it's like to be in bed with me. That's really not much to ask is it?"

Well, put it this way, Marie, we're certainly not complaining! ♣

GRIPPING YARNS

King Solomon's Piles

It takes a very special kind of explorer to march deep into Amandi's bush and find Solomon's Piles. A man like **Allan Watermaine**. Christened by the natives of West Africa as 'Big Bwana Love Banana', he's the only man who could penetrate Amandi's bush and come out a little shaken, but definitely not stirred. Read on, if you dare...

Africa, the Dark Continent, vast, unexplored. Africa with her rivers as wide as lakes; her lakes as large as oceans and her jungle as thick as a *Wheel Of Fortune* contestant. Africa, a huge, bleak, unknowable, virgin wilderness. Unknowable that is until the reign of Queen Victoria when a few brave men began to probe her secret places. Brave men such as Mungo Park, Livingstone, Stanley and Stanley Park Liverpool. Yet, great though these explorers undoubtedly were, there was one who was even greater still. A fearless adventurer who merely laughed in the face of such danger and scorned adversity as if it were a chap who hadn't been to a decent public school — Allan Watermaine, the only son of Lord Sewer, known to

the natives of West Africa as 'Big Bwana Love Banana' because he was tall and he liked fruit.

In the 1890s rumours began to circulate that in the heart of deepest Africa, in the little known country of Amandi, there was something pink and glistening that every man on earth would be very keen to get his hands on — a range of hills made entirely of solid ruby and known to the Amandians as King Solomon's Piles.

APRIL 1890. HER MAJESTY'S DEPARTMENT OF FOREIGN PARTS

Allan Watermaine watched intently as the Minister for Foreign Parts, Lord Ballcock, tapped the map with his baton. "Amandi," the crusty old peer barked, indicating a blank space in the centre of Africa. "Largely unknown territory. Reason for this is very simple — few men have ever penetrated Amandi's bush and got out intact.

"Equipment had to be purchased. Items that could save a man's life in the jungles of Africa"

Luckily I'm one of 'em. Although I must warn you Watermaine, Amandi is a dangerous spot. Woke one morning in my tent to find a bally great lion sitting at the foot of me bed. I looked at the lion. Lion looked at me. Then suddenly... GGGGGROWWWWWLLL!"

"What happened, Sir?" Watermaine enquired rather anxiously.

"What do you think? I fouled my darn breeches, stupid boy!"

"I'm not surprised, Sir," Watermaine said sympathetically. "Faced with such a ferocious beast."

"No! No!" snapped Lord Ballcock. "Not when I was in Africa. Just now when I went GGGGGROWWWWWLLL!"

A few minutes later, after he had changed his jodhpurs, Lord Ballcock continued his briefing: "Most devilish thing that happened when I was in Amandi was the abduction of my niece, Lady Jane Greatpoke. She was stolen from her cradle one morning by a dashed great she-ape. Searched for her for over a year. Couldn't find her anywhere. Must therefore presume she is dead. Either that or living in a mock-Tudor, luxury executive tree-house; wearing a skimpy zebra-skin bikini and carrying on with some chap in a loin cloth with appalling table manners and a fondness for wrestling underwater with rubber crocodiles.

"I suppose I'll never know for sure. But anyway Watermaine, I didn't call you in here just to set up the climax of this feeble yarn. I called you in here to set up the beginning of it as well. Her Majesty's Government wants you to push deep into Amandi and see if you can get your hands on her baubles. You'll be accompanied on your mission by Professor Armitage-Shanks the brilliant anthropologist. A chap who knows Amandi's interior like the back of his hand. And also, Watermaine, I have a personal request..."

"Anything, Sir. What is it?" Watermaine asked, the firm set of his manly jaw indicating to all the world that no matter how stiff a proposition Lord Ballcock was about to thrust in his direction, Watermaine would be more than ready to get to grips with it.

"Well, my other niece, Sissy Tern is a bit of a do-gooder. For the past year she's been giving her all to help the workmen of Whitechapel. As a result of which she's earned herself the nickname of *The Tradesman's Entrance*. She's now got it into her head to give a similar service to the natives of Africa. In three months time she'll be taking up the missionary position in M'Bonka. And several other positions too, knowing her. I'd be grateful Watermaine if you'd take her with you as far as Tungin, in the French Colony of Kissa. It's en route. Any questions?"

Watermaine's face was pale and drawn as he stammered out his query, "This n-n-niece of yours, Sir... She's n-n-n-not, by any chance, a girl, is she?"

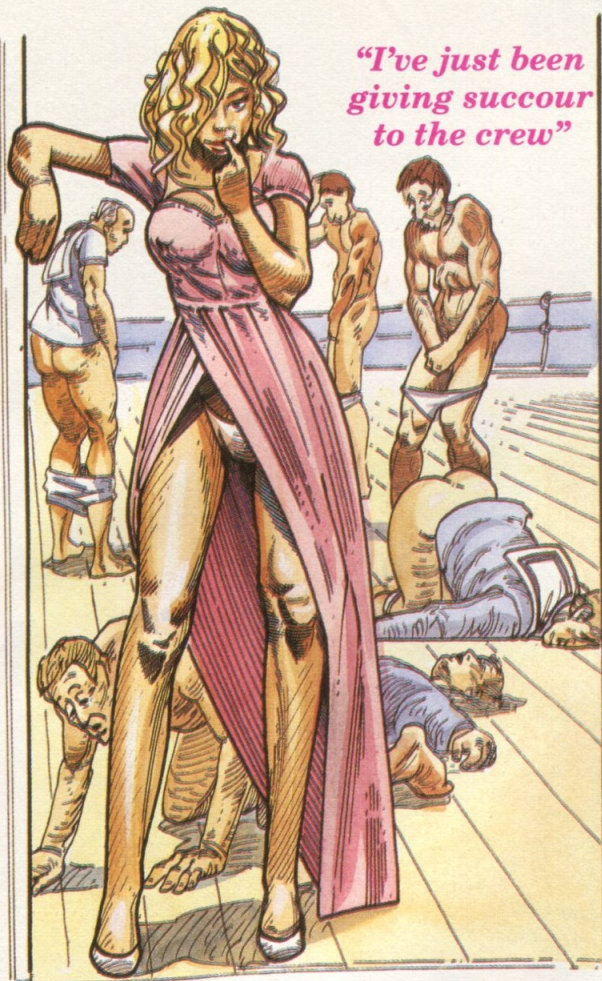

Lord Ballcock's face assumed a grim aspect. "I'm afraid so, Watermaine," he murmured. "I'm afraid so."

THE NEXT FOUR WEEKS, LONDON

Over the next month Allan was too busy organizing the expedition to worry about Lord Ballcock's request. Equipment had to be purchased. Items that could save a man's life in the jungles of Africa: mosquito-proof plus-fours, inflatable cricket pads, elephant repellent, and, most importantly of all, two dozen insect resistant dinner jackets. Allan knew that no matter how difficult the circumstances it was imperative that an Englishman dress for dinner. He remembered only too well Mungo Jerry's recent exploratory expedition up the Clunge and the dreadful fate that had befallen it. They were 1,500 miles from a decent tailor when they discovered that moths had eaten all their tuxedos. Unable to dress for dinner they had starved to death. It was a terrible end. But a noble one.

THREE WEEKS LATER, ONBOARDS.S. EXMOUTH, THE NORTH ATLANTIC

The little steamship rolled from side-to-side as spray spurted across her bows and seamen washed her decks. In his stateroom Allan Watermaine was oblivious to

"I've just been giving succour to the crew"

"I can see you have a keen interest in M'Bonkan affairs. I have a miniature Wun-I-Dik I could show you, if you'd care to come to my cabin."

"In a moment," Sissy chuckled, "but first let's go to the galley and get some horseradish sauce."

When they had left, Allan sat alone thinking. He wasn't sure it was a good thing for the professor to go stuffing a young woman full of facts. Still, it was better than engaging in the squelchy business with her. God forbid, if the natives ever found out that an Englishman was playing PC-Wobble-hides-his-helmet with a girly, then they'd get ideas and the whole British Empire would dissolve into anarchy.

SEPTEMBER 1890, TUNGIN, FRENCH KISSA

The S.S. Exmouth had docked earlier that morning. Allan had disembarked immediately, leaving the Professor and Sissy on board. Armitage-Shanks was still teaching the young woman about Wun-I-Dik, and she seemed very determined to take it all in.

Reluctantly Allan was forced to admit that Sissy had spirit — once she got the bit between her teeth there was no stopping her.

Watermaine walked along the dockside. There were groups of swarthy Arabs all

the way along it selling bowls of jelly and custard.

"Gosh," Allan thought, "this is a trifle bizarre." But at that moment he was not interested in desserts. He was trying to hire a group of native-bearers. Though why the natives had to be carried everywhere was beyond him. Perhaps they had not been force-fed enough cod liver oil by the head matron when they were at school.

As he rounded a corner Watermaine's body stiffened. There, directly in his path, something large and slimy, something smelly and vile, a thing so loathsome that any Englishman worth his salt would cry out "Oh Yukky Pool!" at the very thought of it — A Frenchman.

"Ah, bonjour Monsieur Watermaine," said the oily oaf. "I am Jean de Toilette, Governor of Kissa at your humble service." Allan eyed the Frenchman coldly, then punched him on the nose. He didn't normally approve of such violence, but there were natives watching and anything else would have been seen by them as a sign of weakness. An occurrence which might lead to them getting ideas and cause the Empire to dissolve into total anarchy.

OCTOBER 1890, SOMEWHERE IN AMANDI'S BUSH

The expedition struggled onwards. The native-bearers marching in single file along the banks of the great, grey Puffapuffarice River were singing a song in praise of the

sacred beetle of Frosti.

"Earwigo. Earwigo. Earwigo!" they chanted as they wound between the tall Cocopop trees wherein white fluffy apes called meringue-utangs swung to and fro. Suddenly, the peacefulness of the scene was obliterated by a blood-curdling cry...

"Aaaaaarghhaaaarghaha!!!!"

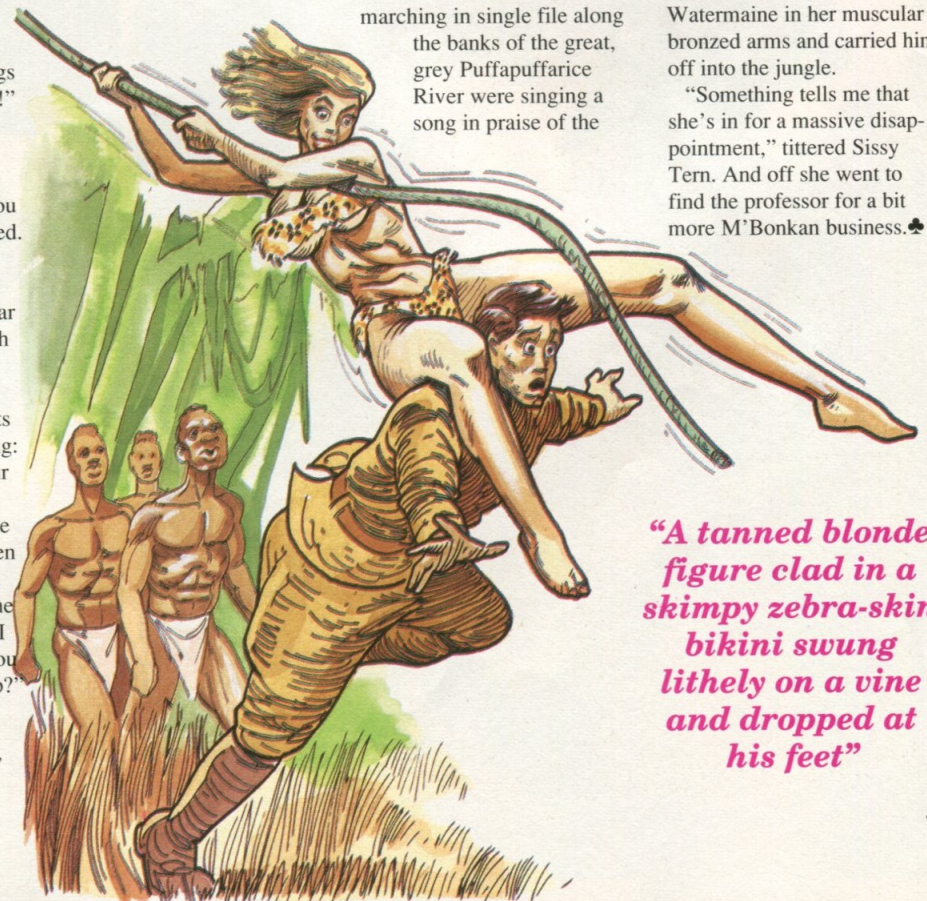

"Sounds like the Prof's got his Wun-I-Dik caught in his zipper again," said Sissy Tern. But the headstrong niece of Lord Ballcock was wrong, as a native bearer quickly confirmed. "Big Bwana Love Banana," he chattered. "That is mating call of Queen of Apes. Very frightening."

Seconds later, before Watermaine could gather his wits, there was a rustling in the trees and a tanned blonde figure clad in a skimpy zebra-skin bikini swung lithely on a vine and dropped at his feet. Allan gazed at the young woman. Her frontal protuberances glistened in the sun. Her thighs were strong enough to crack coconuts. "Greatpoke..." he murmured.

"I certainly am," the girl replied. "And you must be Bwana Big Love Banana. I like a fella with a name like that. It tells me what I want to know about him."

"A-A-Actually," Allan stuttered, "it's Big Bwana Love Banana. You see I'm tall and fond of fru..." But before he could finish the Queen of the Apes had seized Watermaine in her muscular bronzed arms and carried him off into the jungle.

"Something tells me that she's in for a massive disappointment," tittered Sissy Tern. And off she went to find the professor for a bit more M'Bonkan business. ♣

"A tanned blonde figure clad in a skimpy zebra-skin bikini swung lithely on a vine and dropped at his feet"

this stream of unnecessary innuendo. He was deep in conversation with Professor Armitage-Shanks, leading anthropologist and President of the *Society for the Abolition of Cockney Rhyming Slang*.

"Okay, Allan, basically in Amandi you've got your three main tribes." The Professor's droning voice stopped for a moment as he adjusted the leather patches on the elbows of his brown corduroy jacket. "You've got the Oomagoolies, who live in an area covered in needle grass and don't wear any underpants. You've got the Werzafukarwe, a tribe of pygmies who live in a place covered with tall elephant grass. And you've got the Bangyabakwads who... well, let's just hope that we don't meet up with them at all, shall we?"

Before the Professor could continue there was a tap at the door and Sissy Tern strode boldly into the room. Her chestnut hair was in disarray, her dress was ruffled and her ample bosom was heaving.

"Greetings, gentlemen," she panted. "I've just been giving succour to the crew." She flounced across the cabin

and threw herself over a chaise longue. "And what about your expedition, Allan," she purred. "Do any of its members need the hand of guidance?"

Allan Watermaine's face flushed. "Err... Gosh... I mean... Miss Tern, you really are most irregular."

Sissy Tern tossed back her head and let out a peal of throaty laughter. "I know, Allan. I've tried syrup of figs but it doesn't seem to work!"

Before Allan could stammer out some kind of reply Professor Armitage-Shanks had intervened. "You know, Miss Tern," he droned. "In M'Bonka the natives engage in many peculiar rituals. In one the men smear themselves with horseradish sauce, place Yorkshire puddings over their private parts and sit outside the huts of their womenfolk, chanting: 'Come on girls and get your Sunday joint!' When the women emerge they and the men dance all night and then engage in an orgy of sex at the feet of their God, a stone obelisk called Wun-I-Dik. I wonder, Miss Tern, how you feel about this idol worship?"

"Idle?" Sissy laughed loudly. "It all sounds bloomin' energetic to me!"

Simone believes in doing her bit to cement Anglo-French relations, so when she invited us to join her at her friend's vineyard in the south of France to take these pictures we jumped at the chance.

"I'll let you into a secret," the exotically named 19-year-old laughed. "I'm not really French at all—I was born in Bristol! I came here while I was working as a holiday rep about three years ago, and I enjoyed it so much I decided to stay!"

"I have a really crazy time here, you

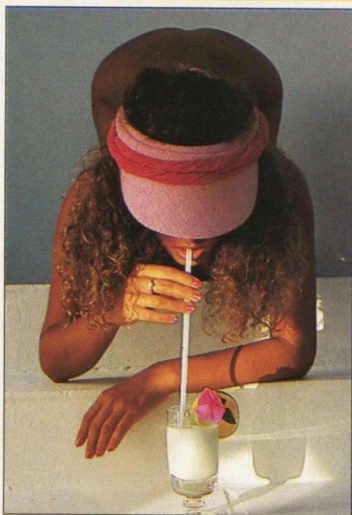

know —flirting with the locals, going to loads of parties, that sort of thing.

"But I think my wild days are behind me from now on," Simone sighed. "I reckon taking my clothes off for Club is a lot more fun!"

We couldn't agree more, Simone! ♣

WOMEN'S WRITES

Where the girls get down to business

Cock-tales

My name is Susan and I'm a cocktail waitress in a trendy Mexican bar. A lot of people think my job is glamorous, and I suppose it is. We have

to look glamorous anyway; I wear a lacey basque top that just about contains my impressive boobs, and a tight black mini skirt, with sheer black stockings and high heeled shoes. I have to wear

my hair in a bun so that my long dark tresses don't dangle in the customers' pinacoladas.

But it's not an easy job. I have to teeter about on my heels, holding my tray of drinks high above my head so that they don't spill. Men try to peek up my skirt and ask me out all the time, but I've never gone out with any customers, because since I

started work at the bar, I've had a crush on my boss.

My boss is called Georgio and he's just so devastatingly good-looking that I go weak whenever he comes into the room. He's tall and Latin and wears tight jeans which show off his gorgeous bum. Many's the time I've sat at home with my vibrator deep in my pussy dreaming about how good it would be to finally get my

hands and lips down those tight jeans!

Georgio's a bit of a lad too, always at the bar, chatting up the female customers. He's always got a crowd of women round him but I've never mixed business with pleasure, and always kept my secret fantasies to myself.

Sometimes I get lost in my fantasies about Georgio, especially when I'm blending

the freshly whipped cream for the pinacoladas, or wistfully arranging the cherry on the Slow Comfortable Screw. I'll be standing at the bar ignoring the stares of customers, letting the white fluffy cream drip on my fingers, thinking of Georgio and clenching my bum cheeks together. Once when I did it, I pressed my pussy mound against the bar at the same time, and an orgasm suddenly welled up inside me. I didn't even touch myself. That's the effect that Georgio has on me!

One Saturday night quite recently, we were so busy I was just rushed off my feet. I was running about with my little tray, getting all hot and bothered, when suddenly one of my hairclips came loose and all my thick wavy dark hair came tumbling down. I looked up and saw that Georgio was staring at me transfixed from the bar. The whole place just went silent; I suppose my hair is pretty fantastic.

I ran upstairs to pin it all back up again, and was in the ladies' when suddenly, the door opened and Georgio

came in, looking more handsome than ever.

"No, don't pin it up," he said, "it's gorgeous, just falling over your shoulders like that." He walked towards me and began running his hands through it.

He'd never been that close to me before, and I felt my pussy flood in response. I didn't even think to stop his sensitive hands as they slid from my hair to my boobs. He unlaced my basque top and caught my boobs as they fell out, and before I knew it he was sucking and licking my nipples and sending incredible shivers right through me. My pussy was throbbing and I could feel wetness seeping through my thin panties and trickling down the inside of my thigh. Georgio groaned as he slid his hand up my skirt, then he slipped his finger inside my panties and circled round my clitty, rubbing its hood until by my moans it was obvious I was going to come. I'd never wanted a man so much in my life as I did now, and the fact that we were about to have a fuck in a ladies' toilet wasn't going to stop me!

He went down on his knees, kissing my belly as he went, and pushed up my skirt. He buried his face in my dark pubes, and flicked little licks across my clitty. It was too much and I came shudderingly, but I hadn't had nearly enough of him!

Just then, we heard light

footsteps coming towards the door. Quickly, we hid in one of the cubicles, and I sat on the cistern with my skirt right up and my panties round my ankles, while Georgio stood on the toilet seat. We heard a woman settle herself noisily in the cubicle next door, and I almost began to giggle, but then I saw the huge bulge in Georgio's tight trousers. My mind concentrated instantly: it was just the right height! I undid his flies and wrapped my hand around one of the thickest, firmest cocks I'd ever seen. I just had to get it into my mouth and slide my tongue along it. Holding onto the root and moving my hand up and down, I quickly worked Georgio's prick right into my willing mouth, as far as it would go. He was stifling his moans, leaning against the wall above me. As I sucked for all I was worth, I stroked my swollen cunt lips, sliding my fingers in and out of my creaming cunt. I was approaching another orgasm.

The woman next door flushed the toilet and the noise was enough to cover a loud moan from Georgio. I took his cock out of my mouth for a moment and whispered, "Please fuck me Georgio, I can't wait!"

Oh so quietly, as the woman next door rustled about, Georgio stepped onto the floor, and placed me where he had been standing. He opened my legs wide, gasping at the wetness of my pussy, and then slid his huge

cock right in. I shuddered with pleasure. He thrust fast and powerfully in and out, his pubes tickling my clitty. I gasped as my pussy walls began to contract and to make sure Georgio came with me I reached down and caressed his heavy balls with my hand.

I couldn't keep quiet any longer! Just as I reached breaking point, Georgio withdrew his glistening cock and I groaned in protest. But then he pulled me off the cistern, turned me round, and I squealed in surprise as he sank his rigid cock into me from behind. I braced myself against the wall as his whole length thrust against my rippling cunt walls, slowly and deliberately, then faster, until my back arched and I moaned with a shattering orgasm.

As Georgio exploded his spunk inside me, I flushed the toilet to cover the noise we made, but I don't think it was enough! The woman was still hovering about by the basins, running the taps and generally behaving suspiciously as though she was waiting for us to come out.

We bit our hands to stifle our giggles until finally she left. As Georgio and I walked casually downstairs, my hair now neatly pinned up, I wondered if any of the customers there guessed our sexy secret! Now when I fiddle with my pinacoladas, I've got a real fantasy to think about! — Susan, Cambridge

ON THE JOB

Photo Frolics

Hi, my name's Kim, and I'd like to share my sexy story with you. Actually, Kim isn't my real name, but it's the one I use when I'm modelling, and as the events I'm about to describe were a direct result of a modelling job I'll stick with it for now.

I work behind a cosmetics counter during the day, but for the past couple of years I've been earning a bit of extra cash as a nude model for a local art college. A lot of the models they use are middle aged and rather plain, so you can imagine how happy the students are on the days when I turn up! Naturally they'd much rather be staring at a slim, blonde 21-year-old than some frumpy, flabby woman.

I don't get paid all that much for posing, but to be honest I enjoy it so much I'd probably do it for nothing! I always enter the studio fully dressed, and strip off in front of the students, rather than undressing in a private room and then putting on a robe to walk down the corridor like the other models do. I'm sure a lot of the guys and girls at the class must get turned on watching me take off my skirt and blouse, then slowly peel off my stockings, my bra, and finally my tiny lace panties. They'd probably cream their jeans if they knew how wet my pussy was getting while I stripped off for them!

Yes, the real reason I pose for the art students is because I find it incredibly horny to reveal my body to so many people at once. By the time the class is finished I can scarcely wait to get home so I can bury my fingers in my dripping cunt and bring myself off, recalling the admiring expressions of the students as I reach my shuddering climax.

Quite a number of the male students have asked me out, but I always say no, it would be unprofessional. I've been tempted to say yes to a couple, but I think it would spoil my fun if I ended up hurting someone's feelings — and I'm definitely not the

kind of girl who likes to get involved. I'm looking for fun, not relationships!

Anyway, one night a few weeks ago I was in an even hornier mood than usual, so I treated the students to a particularly sexy striptease. I was wearing gorgeous peach satin undies, which looked fantastic against my fair skin, and with my long blonde hair flowing loose over my shoulders I knew I looked really sensational.

As I sat posing on the floor, leaning back with my legs spread slightly so the students got an excellent view of my juicy pussy, my gaze shifted around the circle. Quite a few of the guys seemed rather flushed, I noticed; my little show had obviously got them excited. One of them even turned bright scarlet as he caught my eye just seconds before my gaze dropped down to the

prominent bulge in his crotch. I had to bite my lip to stop myself from laughing.

I couldn't help noticing, though, that every time I glanced at one of the girl students, a girl I'd never seen before, she was staring right back at me. She didn't appear to be doing much drawing either, just sitting looking at me. She was rather a mousy, serious looking girl, although she was quite attractive. When she realised I was staring back at her, she flashed me a sweet, friendly smile, which seemed to light up her whole face.

After the class I was just getting dressed, in a hurry to get home so I could have a good fringing session with my vibrator, when the mousy girl came over to talk to me.

"Hi, my name's Yvonne," she said. "I've been looking for a sexy blonde model to use in my photographic sessions. Would you be interested in posing for me?"

Naturally I jumped at the chance to show off in front of a camera, and get paid for it, especially as something about the way Yvonne's eyes

waist. Yvonne just smiled, and carried on taking photos. I was really feeling horny now, and I couldn't resist rubbing my nipples with my fingertips, sending a shudder of pleasure coursing through my body.

"I can see you're a randy one," Yvonne laughed. "That's good though. You look very sexy when you're turned on." I could tell that she was turned on too, by the way her cheeks were colouring up, and she didn't bother to hide it. "Get as dirty as you want, Kim," she said. "The camera loves you."

Well, that was my cue to give in to the urges that were welling up inside me. My pussy was crying out for some attention — how could I resist?

I ran one hand over my tits and down between my legs. The fabric of my bodysuit was soaked with pussy juice. I pressed my hand against my crotch a little more firmly, and let out an involuntary gasp as I felt my clit throb with arousal.

"That's it," Yvonne said,

"let yourself go completely, make yourself hot... you're so sexy, Kim!"

I slipped a couple of fingers under the fabric and rubbed them along my slit. I was really sticky with cunt juice.

"Take your clothes right off," Yvonne told me. "I want to take pictures of you friggng yourself. I want to capture the expression on your face when you make yourself come."

Her words made me lose what little control I had left, and within moments I was naked, my legs spread wide apart so Yvonne could see my fingers clearly as they slid in and out of my cunt. She snapped away continuously, taking close-ups of my sticky fingers as I shoved them into my hole, then pulling back to see my expression as I gasped with pleasure. It didn't take me long to bring myself off, fighting the urge to close my thighs tightly over my hand as I climaxed, because I didn't want Yvonne to miss a second of my performance.

I was just catching my

lingered on my boobs made me suspect there might be more to our arrangement than just work.

I turned up at the address she'd given me the following night, dressed in my sexiest outfit. Yvonne explained that she wanted to get into nude photography, but she needed a bit more practice, and she thought I had the perfect face and body. I felt my skin begin to tingle all over as she asked me to strip down to my underwear while she set up the lights in her studio.

I pulled my white bodysuit tight across my boobs so my nipples poked through the thin fabric, as Yvonne began to snap away. She kept encouraging me try out even sexier poses, murmuring stuff like, "That's great Kim, arch your back a little, we want to make the most of your lovely tits." I could feel my pussy juicing up as I pouted provocatively for the camera, and the crotch of my tight undies rubbing against my cunt lips each time I changed my pose was getting me really carried away.

"How about pulling your top off your shoulders a bit?" Yvonne suggested. I went further than that at once, pulling it right down to my

breath when the buzzer on the intercom rang. Yvonne exclaimed, "Oh, that'll be Janine!", and rushed over to open the door. I shot her a questioning look, and she said, "I hope you don't mind, but I invited another girl along too. I think the two of you will look really good together."

Any protest I might have made died in my throat as Janine walked in. She was a tall, dusky-skinned girl with a sensuous, strong-featured face. She smiled at me, then quickly stripped off to reveal her slim, firm body. I could feel my excitement building again as she moved confidently towards me.

"I can tell you two find each other attractive," Yvonne said. "Just let yourselves get carried away."

I'd sometimes fantasized about fucking another woman, but I'd never had the chance before — so, as you can imagine, I was determined to make the most of this golden opportunity! Under ordinary circumstances I might have been a

bit hesitant, but with the camera bringing out the exhibitionist in me I just got right in there!

Pulling Janine onto the floor, I licked my way down from her rapidly hardening nipples, across her stomach to the top of her pubic mound. I paused there for a second, feeling her trembling slightly with anticipation as she willed me to continue. Then I slid my tongue down, over her dark pubes to her wet pussy.

I breathed in the sharp, sweet aroma of her cunt, almost overcome with a powerful wave of lust as the tip of my tongue touched her clit for the first time. I could tell Janine was as turned on as me, because as I touched her I felt a tremor of excitement pass right through her body. I pushed my tongue further into her, to frantic cries of encouragement from Yvonne. The flash of her camera gave me the strange sensation of being on stage, giving a performance to a wildly enthusiastic audience.

I lapped at Janine's juicy

pussy more and more fiercely as she began to moan and arch her back, clearly getting close to climax. Her mounting excitement fuelled mine, and I could feel my own cunt aching for some more attention as Janine launched into her orgasm. That was it, I couldn't hold back any longer, and swivelling round so my thighs were straddling Janine's ecstatic face, I sank down so my cunt was right over her mouth.

At once I felt her tongue

probing my dripping pussy. Of course I'd been licked out by plenty of guys in the past, but all that paled in comparison with the expert attentions of Janine! She knew exactly what to do to make me respond, bringing me to the edge time and time again, and then stopping, before she finally let me come. By then my excitement had reached such a peak that nothing could have held me back! And there was Yvonne, capturing the whole thing on film as I orgasmed for the

first time with another girl's tongue teasing my pussy. It was my first ever lesbian experience experience, but I decided then that it wouldn't be my last!

Yvonne looked so flushed now I was surprised she could hold the camera steady, but she did her best to control her arousal as she said, "That was perfect, girls. In fact, it was so good I've got a little treat for you which I think you'll enjoy." And with that she rummaged in a drawer and produced a massive

dildo! Janine and I grinned at each other. Just the sight of it raised my excitement to fever pitch again.

Janine grabbed the dildo and eased it up my sticky love hole. You'll realise how good it felt if I tell you that within seconds I was climaxing again, my pussy walls gripping the dildo tightly as I came. Janine waited till I'd calmed down again, then began to slide the dildo in and out of my cunt, just an inch at a time. The delicate, gentle stimulation teased and titillated my pussy so much that to my surprise I could feel yet another orgasm building up. Janine clearly sensed as much, as she suddenly knelt up between my legs, grasping the end of the dildo with both hands as she fucked me hard with it. I came so strongly I virtually screamed the house down!

When I'd recovered, I couldn't wait to try the dildo out on my new playmate. It was so sticky with my lovejuice that it would have slid into her easily, even if her cunt hadn't been so wet.

Janine moaned as I sank the Dildo into her pussy right up to the hilt. As I slid it firmly between her soft cunt lips, her swollen clitty poked up from the dark curls of her pubic hair. Her fingers were sliding down to give it a good rub as she squirmed against the dildo, but I got there first! Burying my head in her wet bush, I frigged her clit with my tongue until by her gasps and moans I knew that she was experiencing an orgasm every bit as good as mine had been! The sight of Janine arching her back and writhing got me horny all over again!

I'm sure Janine and I could have gone on like that for hours, but it was Yvonne who finally called an end to the session. I think the excitement was just getting too much for her! She's never admitted how turned on I make her, that night or in any of our sessions since, but I reckon she has a pretty good frig over the photos once she's developed them. I know I do! — *Kim, Cheltenham*

COUPLES CONFESS

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us

I have to admit that I've always been something of an exhibitionist, especially when I've had a few drinks. That's when I really let my hair down and show the blokes what I'm made of. I must confess that I enjoy all the attention that goes with it.

I could give you hundreds of examples where my behaviour has led to situations that I certainly wouldn't want my mother to know about, but I really want to tell you what happened just before Christmas when our firm had its annual pre-Christmas party. I usually manage to misbehave myself pretty well at these company affairs, but this year I really surpassed myself.

Our department manager had been left in charge of the entertainment arrangements, and because he wanted to give the evening a bit of spice he decided to hire an outside company to provide us with a karaoke night. I'd never taken part in one of these before, but when I was told what it involved — getting up onstage in front of a crowd of my mates and singing along to backing tapes — I couldn't wait to have a go.

When the night arrived, I was even more tiddly than I'd anticipated, because my friend Lizzie and I had been drinking in our office all afternoon. Lizzie is a fun sort who'll basically go for anything in trousers — and sometimes anything in a skirt, too!

"This is going to be a great laugh," Lizzie giggled as we made our way down to the company bar in the basement. "All those tasty blokes from the third floor will be there too." I was especially glad to hear this as there was a bloke who worked in Marketing called Brian who I'd had my eye on for months. I thought this might be my chance finally to get to know him.

As it turned out, the karaoke competition had already started when Lizzie

and I staggered downstairs and took up our position at the bar. It was then that I spied Brian and his mates grinning over at us from the other end of the room.

I was over by his side in seconds, and I could tell he fancied me because he stood close and smiled at me as I chatted to him. He seemed a bit shy, as if he didn't know what to do next. It could've been the drink, or the atmosphere, or the fact that I'd fancied him for ages, but I wasn't going to let this opportunity escape me.

Casually, as I spoke to him, I took his hand and slipped it onto my thigh. He looked startled as I did this, but when I smiled encouragingly I could feel his long fingers sliding carefully up my leg. It

was delicious, sending tingles all through my body. I glanced round, convinced someone must have noticed, but they were all absorbed in the conversation, and had no idea what was going on. It all felt so naughty I began to get really wet. I could tell Brian was turned on too, and his shyness was certainly disappearing! I suddenly felt his fingers in my thick pubic curls then moving in between my love lips. I was sticky already, and the excitement of him fingering me secretly in a public place was making me really horny! I shuddered as he started rubbing my juice over my clit, which had popped out of its hood in eager anticipation of some attention.

As I sat on his knee, I could feel his hard cock bulging underneath my bum, and I wriggled on him, as he thrust two fingers right inside me and began frigging me like mad. I was so wet they kept slipping out, so I clenched my cunt muscles to try and hug them inside me to keep his wonderful frigging going

"This is incredible!" he whispered, breathing right into my ear and licking the lobe as he did so. I love that more than anything, and the next minute he certainly knew that my orgasm was underway as I gasped out loud and made a final frenzied wriggle in his lap.

As I tried to regain my composure, he breathed, "Now it's your turn — my cock's almost bursting!" I was dying to feel it between my lips, and to rub his swollen helmet with my tongue, but just as I was struggling up out of his lap to drag him off somewhere, Lizzie staggered over to us and pulled me by the arm.

"Come on — we're next on stage!" she yelled at me. I'd forgotten that she'd entered us to sing 'Summer Loving' in the karaoke contest. I could see how desperately Brain wanted to carry on from where we'd left off too, but the next thing I knew I was on stage and a mike had been thrust into my hand.

"And next," yelled the announcer, "we have Melanie and Lizzie from Accounts singing 'Summer Loving'!" It was a good job the words came up on the screen in front of me, because I could barely remember my name by then. All I could focus on was Brian, who was in the front row of spectators.

"Later," I mouthed, hoping that he didn't get grabbed by anyone else. I was determined that if anyone was going to have him it was going to be me!

As we got into the second verse the crowd were cheering us on, and Lizzie and I pouted and gyrated for all the watchers. Loud shouts of encouragement were coming from the front row and as Lizzie put her arm around me for the chorus and pressed herself against me with a grin, I started getting horny all over again. Lizzie and I have had the odd lezzie frolic for fun, but she always chooses the most unsuitable times! Lizzie was looking at me suggestively, and in front of the crowd she slid her hand sensuously down my body as she sang.

The front row laughed and cheered. I was embarrassed, but it also appealed to my outrageous inclinations. I decided if Lizzie was going

to embarrass me, I would embarrass her back! By now, I was feeling randy enough to be ready for anything!

I turned towards her, and in time to the music, I ran my hands over her tight top, gently stroking her nipples as I did so. Even though it was all supposed to be a bit of a joke, I felt them grow hard under my fingers. Slowly, working my way to the floor, I felt every inch of her body, until I was kneeling at her feet. As she stood above me, I ran my hands up the inside of her legs, feeling how taut and firm she was. Her voice faltered as I felt her up, but the crowd was cheering too much to notice. As I reached the top of her thighs, I felt a sudden rush of moistness. This was really turning her on! She started talking dirty to the audience, telling them, "Watch! She's making me

come! Watch this boys, she's making me come!"

The crowd, which was mostly male, was shouting and clapping really loudly now, urging Lizzie to go further. Looking over my shoulder I could see Brian looking up at us, with a look of surprise and arousal on his face. Just then, the music came to an end. Lizzie smiled at me, pulled me to her and gave me a deep passionate kiss. In full view of the audience, she squashed her big tits and rock hard nipples against me, and pressed her

hard pussy mound sensuously against me.

To loud cheers, I beckoned Brian over. I knew exactly what I wanted now, and lovely though she was, it wasn't Lizzie! My show with her had turned me on to the point of no return. I grabbed his hand, and dragged him away backstage, not that he needed much dragging.

We found a back room and as we locked ourselves inside, Brian gave me a deep kiss that pinned me against the wall. Kissing him back, I unzipped his fly and released

his rigid cock. It wasn't all that long, but that didn't matter because his helmet was one of the largest I'd ever come across, and I went down on my knees, took it into my mouth and sucked. I couldn't resist it. Brian held the base of it for me while I gripped the length of his shaft and sucked my hardest. He tasted delicious, and I started wanking him as I sucked, the double movement making him tremble and gasp.

I slid my finger up and down my wet slit, and I knew I had to make him come as I

was nearing another orgasm of my own. What a finish if I could make both climaxes coincide!

I rubbed the tip of Brian's knob all over my face while I urged him on. "Come on, Brian, aren't you going to come with me?" I could tell he couldn't wait too long; he just needed that little extra encouragement.

Then a strong jet of creamy spunk hit me full in the boobs as Brian aimed his streaming cock right at me. He then produced three or four good sprays, which stained my T-

shirt, and I rubbed the warm wetness into my nipples. Pulling my T-shirt up I offered my nipples to Brian to suck. He carefully licked every drop of his come off my hard nipples. Brian leant weakly against the wall and said, "I'll never forget this office party!"

As you might guess, Lizzie and I didn't win the karaoke contest, but we did get awarded a prize of a bottle of champagne for winning the newly instituted 'special events' category! — *Mel, Merseyside*

Amy

"Can I try this?" our saucy 19-year-old from Worcester asked during her first ever Club photo session. Tasty Amy then blew the lid off the proceedings and produced this spicy set of pictures in five

minutes flat. As you can see, she's finger-lickin' good!

"Taking my clothes off for Club obviously brings out the exhibitionist in me!" said Amy breathlessly, when it was all over. "I suddenly got all these naughty ideas..."

For her first Club photo session, we asked 22-year-old Josie what setting she'd like, and the answer came back straight away...

"Well, bed has always been my favourite place," cooed the dazzling design student from Chessington. "It's the ideal place for work, rest and, of course,

play. I really love spending all day in bed — it can be so romantic to cuddle up with a nice guy under the duvet!

“I’ve even been known to stay in bed for days at a time,” laughed Josie, “provided that I’ve got the right company!” ♣

IN-THE-BAG

continued from page 43

learn the basics of the English language. The evening drew to a close, and the inevitable time was approaching as to whether Veronique would be joining me at my place for a 'coffee'. No sooner had these thoughts crossed my mind when Veronique spoke.

"Are you, erm, going to take me back to your place, Luke? The student halls are very... cold, non?"

You could have knocked me down with a feather! I nodded, and as soon as we paid the bill, we hailed a taxi and were on our way to my place.

As soon as we got through the door, Veronique made her intentions clear. Pulling me close to her, she kissed me passionately, her slim tongue snaking around the inside of my mouth. I led her towards the bedroom, undressing her as we moved and caressing her soft, smooth breasts. I began moving my hands down towards the inside of her knickers and pushing one, then two fingers inside them my eager hands found their way to her pussy, which was warm and wet with her juices.

Veronique was moaning my name in that accent as she expertly undid my fly and fondled my balls. As we moved to the bed, Veronique pulled my trousers down, and my erect cock sprung out. She kissed her way down my chest, removing my shirt as she did so, until her head was level with my cock. Taking hold of it firmly, she clamped her red lips around my cock head and began frantically licking and sucking. While one hand expertly tugged at my foreskin, Veronique's other hand was massaging my balls. This was all too much, and I emptied my load into her willing mouth. Veronique gladly gulped down every last drop.

What happened next might have been considered brazen, but when it was delivered with such a horny accent, I just couldn't refuse.

"I want you to lick my pussy, Luke. Will you do that?" Veronique purred. I gladly did as ordered, and I dropped to the floor between Veronique's legs and started work on her lovely pussy. Gently pulling apart her pussy lips, I pushed my tongue deep inside her cunt. Searching out her clit, I lightly nibbled at it, tugging it with my teeth as I did so. Veronique was lying back on the bed, biting her lip and gripping the sheets tightly when she started to scream out in French: "Baise moi, baise moi, mon cheri! Je veux ta queue entre mes cuisses. Qu'elle est dure!" (I later found this to mean: "Fuck me,

I think I'll have the fish

fuck me, darling! I want to feel your cock between my legs. You're so hard!")

Veronique opened her legs, and I entered her as deep as I possibly could. She was loving every second of this, and was thrashing around wildly, screaming out words in an alluring mixture of French and English.

Her nails tore at my back, and I thought we would fall out of the bed as Veronique wriggled around. She almost seemed to be trying to suck my balls right into her pussy as she thrust her hips into mine. Eventually I could stand it no more, one final push elicited a loud groan from Veronique and we both collapsed onto the floor.

We ended the night sharing a shower together, and then jumped into bed for a deserved night's sleep.

Veronique has since gone back to Lyons, France, and has invited me across for a holiday soon. I'm looking forward to a repeat performance come July! — Luke, London ♣

SON OF BAD JOKE

Club Health Warning: Listening to jokes sent in by Club readers can seriously damage your sense of humour. You have been warned...

A pub owner had a frog which sat on top of the cash register. Sometimes the frog would whip his tongue out to catch a fly, but apart from that he just sat there all day long.

One day a good looking blonde comes into the pub and asks, "Why do you keep that frog there?"

The owner answered, "Well, he's

special. He's the only frog in the world that eats pussy."

The girl says she'll have to see it to believe it, so the owner tells her to take off her knickers, and puts the frog on the ground. Ten minutes later the frog still hasn't moved.

"Okay," says the pub owner, kneeling on the floor in front of the girl and patting the frog on its head. "This is the last time I show you how to do this."

We told but you just wouldn't listen, would you! ♣

FINAL SCORE

Vinny Sprocket, the man with more facts up his sleeve than Norris McWhirter, gives you 20 ways to get a girl between the sheets — although what he does when he gets them there is beyond us...

- 1.** Tell her it's your sofa.
Potential problem: She might not believe you.

- 2.** Shove a bratwurst down your jodhpurs and let her know she's in for a really good time.
Potential problem: She might be a vegetarian.

- 3. Get her pissed.**
Potential problem: The proverbial 'wet patch' might not be what you thought.

- 4.** Blow dry your hair, don't shave, take singing lessons and convince her you're George Michael.
Potential problem: She might not fancy George Michael.

- 5.** Rub essence of male musk into your sheets and when she bends down to investigate the smell goose her in the duvet.
Potential problem: She might have a cold.

- ## 6. Sweet talk her.

- 11.** Gently slide your hand up her skirt a la Dennis Quaid in *The Big Easy*, tease her gusset and whip her into such a frenzy that she'll beg you to take her to bed.
Potential problem: She might be wearing jeans.

- 12.** Hypnotise her.
Potential problem: Zzzzzzzz
zzzzzzzz.

- 13.** Use all the charisma and aftershave you can muster and charm her into bed.
Potential problem: You might not have much of either. You can always buy aftershave, but charisma...

- 14.** Beg her.
Potential problem: Kinda degrading, don't ya think?

- 15.** Bully her.
Potential problem: It's not very nice and you might end up with sore bollocks.

- 16.** Cajole her.
Potential problem: She might know what it means (we certainly don't).

- 17.** Tell her you're a virgin and give her a real sense of power as the dominant guiding woman who takes your cherry.
Potential problem: She might be one too.

- 18.** Tell her you're an experienced man-about-duvet orgasm factory who'll blow her out of her knickers.
Potential problem: Trades Description Act.

- 19.** Take incriminating polaroids, then blackmail her. *Potential problem:* It's illegal, actually.

- 20.** Woo her with wine, roses, dinner, perfume and a hard-core tit flick such as *Kiss My Condom*.
Potential problem: It's fucking expensive (or expensive fucking). ♣
